

CODE 20E
ST0802GT0003 - QUALITY CONTROL FOR DISTRIBUTORS

The provisions of Buyer's Purchase Order titled "Inspection" or "Inspection and Correction of Defects" are supplemented by including the following:

Articles furnished hereunder shall be subject to a Quality Control System as defined in The Boeing Company Specification ST0802GT0003 titled "Quality Control for Distributors" Revision "K" dated 9 December 1996.

ATTENTION - A special certification shall be submitted with Seller's shipping document when Buyer's purchase order requires:

1. Articles to be procured from Buyer's Approved Source List (ASL) or Qualified Source List (QSL).
2. Articles to be procured from a Government Qualified Products List (QPL).

Said certification shall contain the complete name, street address, city and state of the manufacturing/processing source, specification and specification revision. In the event the source is located outside the continental United States the name of the country will also be required on the certification.
