

ISO 9000 SERIES QUALITY SYSTEMS ISO QUALITY CODE 20I-2

During the performance of this Contract/Purchase Order (C/PO), the Seller shall implement and maintain a quality system that meets the requirements specified in ISO 9002-1994 (ANSI/ASQC Q9002-1994).

Third-Party registration of Seller's quality system is not required.

Seller's who have achieved ISO 9000 quality system registration from an accredited third-party registrar shall notify the Buyer in writing in the event Seller's ISO 9000 quality system registration certificate is revoked, suspended, or expired.

Notification shall be within five (5) working days of the revocation, suspension, or expiration.

The Buyer reserves the right to conduct ISO 9000 quality system/process assessments (audits) at Seller's facilities as required.

Seller is prohibited from dispositioning product nonconformities (use as is or repair) through Seller's materials review board unless specifically authorized elsewhere in the Buyer's C/PO.

Please contact the Buyer should you have any questions regarding this Code.
