Single Lot Date Code Only Procurement

Seller shall provide the full quantity of each part number provided under this purchase order with one single lot/date code. Seller will obtain the written approval of The Boeing Company authorized purchasing representative prior to shipping goods that do not meet this single-lot/date code requirement.

In the event that The Boeing Company purchasing representative provides authorization in writing to ship mixed lot/date codes, the seller shall provide a copy of Boeing's written authorization with the shipping document. When mixed lot/date codes are authorized, the shipper shall list individual lot/date codes and quantity. In addition the individual part containers shall be marked with the quantity and lot/date date code.
