

FLYSHEET AN-21 SCHEDULE VISIBILITY

Within 15 days of acceptance of this purchase order, Seller shall provide to Buyer a work-in-process schedule plan that identifies Seller's major manufacturing and testing steps together with the schedule dates that these steps are to occur.

The work-in-process schedule plan shall be in sufficient detail to provide the Buyer with product flow information from the start of basic material through product shipment with a sufficient number of steps shown to allow Buyer adequate visibility into movement of product for adherence to the schedule plan.

Seller agrees to provide the Buyer with a weekly status report as to how the product is progressing to the original work-in-process schedule plan.
