

## FLYSHEET CB COST BREAKDOWN REQUIREMENTS

Your cost breakdown should include the following minimum information:

1. Material
  - A. Priced Bill of Material (BOM).
  - B. Basis of cost reflected on the BOM, i.e., quotes, catalog pages, purchase orders.
  - C. Support for material factors, i.e., mortality, attrition, scrap, rework, handling.
  
2. Labor
  - A. Breakdown of labor by labor category, hours and rates.
  - B. Supporting data for hours proposed, i.e., prior actuals, estimated hours, and basis for the estimate, application of learning curves, etc.
  
3. Subcontracting
  - A. Identify significant subcontracting efforts included in your proposal and provide a copy of quotations.
  
4. Rates
  - A. Describe the indirect cost rates included in your proposal and state if these rates have been audited/approved by DCAA.

If the item being quoted has been previously sold to The Boeing Company, please provide The Boeing Company Purchase Order Number \_\_\_\_\_ and the buying location \_\_\_\_\_.
