- c) If Seller considers that Buyer's conduct constitutes a change, Seller shall notify Buyer's Authorized Procurement Representative promptly in writing as to the nature of such conduct and its effect upon Seller's performance. Pending direction from Buyer's Authorized Procurement Representative, Seller shall take no action to implement any such change.

schedule; and (iii) Seller submits a claim for adjustment within twenty (20) days after the suspension is canceled.

22. **TERMINATION FOR CONVENIENCE.** Buyer may terminate all or part of this PO for its sole convenience. Buyer may withhold from any amount due under this PO any sum Buyer determines to be necessary to protect Buyer or Buyer's customer against loss because of outstanding liens or claims of former lien holders.

In each instance, the failure to perform must

be beyond the control and without the fault or negligence of Seller. If Seller's failure is caused by the failure of a subcontractor of Seller and if such failure arises out of causes beyond the reasonable control of both, and if such failure is without the fault or negligence of either, Seller shall not be liable for excess re-procurement costs unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Seller to meet the required delivery schedules. Seller shall notify Buyer in writing within ten (10) days after the beginning of any such cause(s). In all cases, Seller shall use reasonable efforts to avoid or minimize all such failures, including exercising work-around plans or obtaining the Services from other sources.

25. **QUALITY CONTROL.** Seller shall establish and maintain a quality control system acceptable to Buyer for the Services purchased under this PO. Seller shall permit Buyer to review procedures, practices, processes and related documents to determine such acceptability
