Determination of Financial Capability

It is Buyer's policy to release purchase contracts to only those suppliers that Buyer believes are qualified. Buyer's determination includes, but is not limited to, Bidder's financial ability to perform in accordance with the contractual requirements. Although Bidder is being given the opportunity to provide a response to this request for quotation (RFQ), the process required to determine Bidder's financial capability relative to this RFQ has not yet been completed. If Bidder chooses to provide a response to this RFQ, Buyer reserves the right to disqualify Bidder based on Buyer's final determination.
