Unverified/Invalid Rejection Returns

If Seller is unable to verify nonconformance/failure mode on goods returned by Buyer for rework/replacement, Seller will contact Buyer and request authorization to return the goods. Shipping documents for returned goods will contain the following information:

- (a) A concise statement of the reason for return of the goods, including summary of tests/inspection performed and results obtained.
- (b) The name of Buyer's Authorized Procurement Representative who authorized return of the goods.
