Early Delivery

In accordance with the Schedule clause of this contract, Buyer authorizes and encourages Seller to deliver the goods earlier than the scheduled delivery dates incorporated in this contract. However, if in addition to scheduled delivery dates, this contract also includes the dates on which Buyer actually needs or requires the goods to be delivered, Seller is not authorized to deliver the goods earlier than Buyer's need/required dates. Notwithstanding anything to the contrary elsewhere in this contract, the payment-due date for deliveries made in accordance with this clause shall be computed from the latest of Buyer's need/required delivery date (if stated in this contract), the actual delivery date, or the date of receipt of a correct invoice.
