Ground Satellite Control System Upgrade
CUSTOMER CONTRACT 042-2016-BSSI

CUSTOMER CONTRACT REQUIREMENTS

The following customer contract requirements apply to this contract to the extent indicated below.

1. Prime Contract Special Provisions The following prime contract special provisions apply to this purchase order

Permits and Licenses: Government Approvals .

- a. Seller shall, at its own expense, obtain and maintain and cause its Subcontractors to obtain and maintain, all U.S. and French Government approvals, permits and licenses and any other non-UAE approvals, permits and licenses as may be required for the Technical Documents and Satellite Contract System (SCS) furnished under this Contract. Seller shall perform their role in accordance with all applicable laws, government rules, regulations and ordinances of all such applicable Government permits and licenses. The SCS or equipment furnished under this Contract may be subject to the U.S. International Traffic in Arms Regulations (ITAR) or the U.S. Export Administration Regulations (EAR).
- b. Buyer's customer is responsible for obtaining UAE Governmental approvals, licenses and permits which may be required for Seller and its subcontractors to perform tasks, installations, maintenance and testing in compliance with the laws at a Satellite Operations Facility site(s). Buyer's customer (through coordination with Buyer) shall facilitate Seller or its subcontractor personnel receiving necessary visas, work permits, and/or other governmental approvals if required for Seller or Seller's subcontractor personnel to perform work at the Buyer's customer's Satellite Operations Facilities.
