(2) Management procedures that provide for generation of timely, reliable, and verifiable information for the Contract Performance Report (CPR) and the Integrated Master Schedule (IMS) required by the CPR and IMS data items of this subcontract.

(c) If the subcontract has a value of \$100 million or more, the Subcontractor shall use an EVMS that has been determined to be acceptable by the Cognizant Federal Agency (CFA). If, at the time of award, the Subcontractor's EVMS has not been determined by the CFA to be in compliance with the EVMS guidelines as stated in paragraph (b)(1) of this clause, the Subcontractor shall apply its current system to the contract and shall take necessary actions to meet the milestones in the Subcontractor's EVMS plan.

(d) If this subcontract has a value of less than \$100 million, the Government will not make a formal determination that the Subcontractor's EVMS complies with the EVMS guidelines in ANSI/EIA-748 with respect to the subcontract. The use of the Subcontractor's EVMS for this subcontract does not imply a Government determination of the Subcontractor's compliance with the EVMS guidelines in ANSI/EIA-748 for application to future contracts. The Government will allow the use of a Contractor's EVMS that has been formally reviewed and determined by the CFA to be in compliance with the EVMS guidelines in ANSI/EIA-748.

(e) The Subcontractor shall submit notification of any proposed substantive changes to the EVMS procedures and the impact of those changes to the CPA. If this contract has a value of \$100 million or more, unless a waiver is granted by the CFA, any EVMS changes proposed by the Contractor require approval of the CFA prior to implementation. If the CFA waives the advance approval requirements, the Subcontractor shall disclose EVMS changes to the CFA at least 14 calendar days prior to the effective date of implementation.

(f) Buyer will schedule integrated baseline reviews as early as practicable, and the review process will be conducted not later than 180 calendar days after -

- (2) The exercise of significant contract options; and
- (3) The incorporation of major modifications.

During such reviews, Buyer and the Subcontractor will jointly assess the Subcontractor's baseline to be used for performance measurement to ensure complete coverage of the statement of work, logical scheduling of the work activities, adequate resourcing and identification of inherent risks.

(g) The Subcontractor shall provide access to all pertinent records and data requested by the Subcontract Manager or duly authorized representative as necessary to permit Government surveillance to ensure that the EVMS complies, and continues to comply, with the performance criteria referenced in paragraph (b) of this clause.

(h) When indicated by subcontract performance, the subcontractor shall submit a request for approval to initiate an over-target baseline or over-target schedule to the Subcontract Manager. - (iii) System noncompliance, when the Contractor's existing EVMS fails to comply with the earned value management system guidelines in the ANSI/EIA-748; and

(iv) System disapproval, if initial EVMS validation is not successfully completed within the timeframe approved by the Contracting Officer, or if the Contracting Officer determines that the Contractor's earned value management system contains one or more significant deficiencies in high-risk guidelines in ANSI/EIA-748 standards (guidelines 1, 3, 6, 7, 8, 9, 10, 12, 16, 21, 23, 26, 27, 28, 30 or 32). When the Contracting Officer determines that the existing earned value management

system contains one or more significant deficiencies in one or more of the remaining 16 guidelines in ANSI/EIA-748 standards, the Contracting Officer will use discretion to disapprove the system based on input received from functional specialists and the auditor.

(4) If the Contractor receives the Contracting Officer's final determination of significant deficiencies, the Contractor shall, within 45 days of receipt of the final determination, either correct the significant deficiencies or submit an acceptable corrective action plan showing milestones and actions to eliminate the significant deficiencies.

(j) Withholding payments. If the Contracting Officer makes a final determination to disapprove the Contractor's EVMS, and the contract includes the clause 252.242-7005, Contractor Business Systems, the Contracting Officer will withhold payments in accordance with that clause.

(k) With the exception of paragraphs (i) and U) of this clause, the Contractor shall require its subcontractors to comply with EYMS requirements as follows:

(2) For subcontracts values at less than \$100 million, the following subcontractors shall comply with the requirements of this clause, excluding the requirements of paragraph (c) of this clause:

#### **H-7 NON-DISCLOSURE OF PROPRIETARY DATA .**

The Seller recognizes that in performance of tasks under this Contract it may receive, from either the Buyer or Government or from other sources, proprietary data of other companies, or data furnished by other companies for Government use only. The Seller agrees to use this information exclusively in the performance of these tasks and to take steps necessary to prevent disclosure of such information to any party outside the Buyer and the Government without the prior written consent of the Buyer. The Seller agrees to indoctrinate its personnel and any Seller personnel who will have access to this information as to the proprietary nature of the information, and the relationship under which the Seller has possession of the information. The Seller agrees to limit access to the information obtained, generated or derived, and participation in the performance of tasks under this agreement to those employees or Seller personnel whose services are necessary for the performance of these tasks.

The Seller agrees to destroy the data, and all copies of the data in its possession, no later than 30 days after Contract completion, to have all persons or entities to whom it released the data do so by that date, and notify the Buyer that the data have been destroyed.

The Seller shall place a clause substantially similar to this in its subcontracts prior to providing copies of the data to such subcontractors.
