The contractor will make copies of these individual agreements available to the Contracting Officer upon request. These restrictions do not apply to such information after the Government has released it to the contractor community, either in preparation for or as part of a future procurement, or through such means as dissemination at Contractor Industrial Forums.

- (c) The contractor further agrees that any source documents furnished by the Government and any contractor documents developed therefrom in the performance of this contract are the sole property of the Government and will be held in strictest confidence.
- (d) If the work to be performed under this contract requires access to the proprietary data of other companies, the contractor agrees to enter into an agreement with the company that has developed this proprietary information to: (1) protect such proprietary data from unauthorized use or disclosure for as long as the information remains proprietary; and (2) refrain from using the information for any purpose other than support of Government contract for which it was furnished. The contractor shall provide a properly executed copy of any such agreement(s) to the Contracting Officer. These restrictions are not intended to protect data furnished voluntarily without limitations on their use. Neither are they intended to protect data, available to the Government or contractor, from other sources without restriction.

- (g) The contractor further agrees that the Government may periodically review contractor's compliance with these provisions or require such self-assessments or additional certifications as the Government deems appropriate. If occupational diseases are not compensable under those statutes, they shall be covered under the employer's liability section of the insurance policy, except when contract operations are so commingled with contractor commercial operations that it would not be practical to require this coverage. Employer liability coverage of at least \$100,000 is required, except in States with exclusive or monopolistic funds that do not permit workers compensation to be written by private carriers.

The amount of liability coverage on other policies shall be commensurate with any legal requirements of the locality and sufficient to meet normal and customary claims.

At contract award, the Government Property List in Section J is a complete and accurate representation of the contract's Government property. Once performance begins, the contractor shall update the list of Government property accountable to the contract through the CCD on a quarterly basis in accordance with this clause. The most recent update, as reflected in PMM, shall then take precedence over the Government Property List in Section J. The contractor must obtain approval of Buyer before transfers of property can occur. Transfers between contracts must be documented on a DD Form 250, DD Form 1149, by Buyer letter, by contract modification, or by email. - (i) Reporting. The contractor shall submit quarterly reports in the method prescribed by Buyer of all property accountable to this contract and in the possession of the contractor or subcontractors/vendors. Reports shall be submitted not later than 15 December, 15 March, 15 June, and 15 September. Each report must be submitted electronically, with full line-item detail uploaded into the Consolidated Contractor Database (CCD). Each item must include a data field containing the appropriate Program Code to identify the program under which the item was originally acquired, or to designate the item as "non-program." For each non-program item with a value of \$100,000 or more acquired or manufactured during the reporting period, the contractor must also upload an electronic copy of the invoice or other valuation documentation in accordance with Subpart N45.7101. Contractor quarterly reporting shall be considered an update to the Government Property List in Section J of the contract. Changes to these reporting requirements, including changes in frequency, style, substance, and level of detail, may be made at any time during the performance of this contract at no change in contract value.
