CUSTOMER CONTRACT REQUIREMENTS

The following customer contract requirements apply to this contract to the extent indicated below.

1. Prime Contract Special Provisions The following prime contract special provisions apply to this purchase order

1. Definitions

- a. Buyer's Customer: NATO Early Warning And Control Programme Management Agency (NAPMA)
- b. Intellectual Property Rights (IPR): any intellectual property rights of any qualification irrespective of their stage of development or finalisation, including but not limited to patents, trademarks (registered or not), designs and models (registered or not) and applications for the same, copyright (including on computer software), rights in databases, know-how, confidential information and rights in records (whether or not stored on computer) which includes technical and other data and documents;
- c. MMOU: the Multilateral Memorandum of Understanding on the NATO E-3A Cooperative Programme originally signed on 06 December 1978 by the Ministers of Defence of the participating governments, as currently amended and addended.
- d. NAPMA: NATO AEW&C Programme Management Agency, the executive management agency for NAPMO;
- e. NAPMO: NATO AEW&C Programme Management Organization;
- f. Ottawa Agreement: the Agreement on the Status of the North Atlantic Treaty Organisation, National Representatives and International Staff signed in Ottawa on 20 September 1951;
- g. Proprietary Information: Data and any other information or know-how properly identified as proprietary by markings.
- h. Purchaser: NAPMA as entrusted by NAPMO to prepare, negotiate, execute, and administer the prime contract.

2. Most Favored Customer

- a. Seller warrants that the prices quoted to Buyer under this Contract will be no less favorable than prices previously established with The United States Government (USG) (on active contracts), after accounting for all relevant circumstances, including but not limited to quantities, specifications, aggregate terms and conditions for the sale, date of the sale, escalation, (inflation or deflation, as applicable), updating expired supplier quotes or converting to these factors.

3. Immunity of Purchaser Property

- a. Seller is aware that according to the Ottawa Agreement dated 20 September 1951, (SUST 1087, TIAS 3092, 200 UNTS 3), any Purchaser (Buyer's Customer) documentation, information, data of

whatever kind, and any other Purchaser assets used or to be used in the performance of the Contract, in the possession of Seller and/or his subcontractors and by whomsoever held, wherever located, is immune from search, requisition, confiscation, expropriation or any other form of interference.

b. Seller agrees that in cases of any such interferences:

i. Seller will take all reasonable actions necessary to prevent above mentioned Purchaser property and assets becoming subject of such interference, and if the interference has taken place, to take all reasonable necessary actions provided for under national or international law to prevent Purchaser losing its rights (for this purpose Seller is authorized to act on behalf of the Purchaser until the time the Purchaser is in the position to pursue his rights himself or by authorized responsibility);

ii. Seller will inform Purchaser (through Buyer) by the quickest means available;

iii. Seller will include in its Contracts with any of its subcontractors, clauses which reflect the responsibilities outlined at paragraphs i. and ii. above.

4. Taxes and Duties

a. The Purchaser (Buyer's Customer) by virtue of his status under the terms of Article IX and X of the Ottawa Agreement, is exempt from all direct taxes (incl. VAT) and all customs duties on merchandise imported or exported, and is exempted by the Netherlands from all taxes on services provided. Seller, therefore, certifies that the prices stipulated under this Contract do not include amounts to cover such taxes or customs duties.

b. Seller shall be responsible for ensuring that his respective subcontractors are aware that the Purchaser is exempt from taxes and customs duties. Seller (and his respective subcontractors) shall be responsible for complying with all applicable national and local legal and administrative procedures to ensure that authorities do not attempt to assess taxes and customs duties on goods and property imported or exported through NATO member nation frontiers under this Contract nor assess direct taxation (VAT) on goods sold to the Purchaser under this Contract.

c. If, after complying with all national and local legal and administrative procedures, the authorities persist in attempting to impose taxes or duties on goods provided under this Contract, Seller shall inform Buyer providing the particulars of the situation, the procedures which have been followed and the point of contact at the national authority which is attempting to impose taxation or duty. Buyer and Buyer's Customer will examine the situation and attempt to clarify the legal and administrative basis of the difficulty. If Buyer's Customer do directs (through Buyer), Seller shall pay the required taxes and duties and file for reimbursement or rebate from the national authorities in accordance with national legislative and administrative procedures.

d. In the event that the petition for reimbursement or rebate is denied by the national authorities concerned and providing that Seller and/or his subcontractor have complied with the national legislative and administrative procedures, Buyer shall reimburse the full amount of the payment(s) upon receipt of the Seller's invoice indicating such tax or duty as a separate item of cost and fully identified by reference to any governmental law, regulation and/or instruction pursuant to which such tax or duty is enforced. Seller shall offer assistance and execute any such document that may be useful or required to ensure that Buyer's Customer obtains the reimbursement of any tax or duty retained by a national authority.

e. In the event of Seller and/or Seller's subcontractors not complying with national legislative or administrative procedures, taxes and duties paid by Seller and/or Seller's subcontractors shall not be reimbursed by the Purchaser.

f. Following payment by Buyer of the taxes and/or duties pursuant to this Clause, should Seller subsequently receive a rebate of any amount paid by Buyer, Seller shall immediately notify Buyer and the amount of such rebate shall be credited or reimbursed to Buyer, as directed. Seller shall be responsible for taking any and all action that could reasonably be required in order to obtain such rebate.

g. Seller shall be liable for all other taxes, assessments, fees, licenses, administrative charges or other government assessments or charges which are applicable to the performance of this Contract. It is Seller's responsibility to inform himself of his liability in each country where such liability may arise.

5. Security

a. Seller shall comply with all NATO security regulations as implemented by Buyer, Buyer's Customer, and National Security Authority (NSA) or Delegated Security Authority (DSA) of the nation in which the work is performed. Particularly, Seller shall be responsible for the safeguarding of classified information, documentation, material and equipment entrusted to him or generated by him in connection with the performance of the Contract.

b. Prior to any Seller's subcontractors being given access to any classified information, the Seller shall ensure that any subcontractor that has a need to access classified information for the performance of any part of this Contract has been granted the appropriate Facility and Personnel Security Clearances (FSC/PSC) by its NSA/DSA and that such security clearances are in effect at the time the information is disclosed and remains in effect throughout the performance of the work to be carried out under the concerned Contract/ subcontract.

c. Access to NAPMA premises is subject to the NATO International Visit Control Procedures (IVSPs). For all types of visits, and at least 3 working days prior to every visit, Seller shall submit the standard request for visit (RFV) form to the NAPMA security office, through coordination with Buyer, to obtain all necessary passes/access badges for persons who will request access to NAPMA facilities. In case the required RFV has not been submitted I due time, visitor(s) might not be granted access to the facilities. Buyer will not accept liability for any costs for periods in which Seller personnel were not allowed access due to Seller's personnel failure to timely submit the standard RFV by omission or negligence.

d. Seller agrees that assigned personnel will be responsible to abide by all regulations, procedures, and standards of conduct in place at the NAPMA facilities. Failure to do so will result in corresponding penalties being imposed.

e. Any breach on the part of the assigned personnel will be regarded as a breach by the Seller which, could lead to Cancellation/Termination of all or part of the Contract.

6. Export Licensing and Disclosure Review

a. Seller is aware that according to the Multinational Memorandum of Understanding (MMOU) on the NATO E-3A Cooperative Program, all participating governments have agreed to arrange for the grant of any export licenses necessary for the Programme. In implementation of this program principle, it shall be Seller's responsibility to obtain any export license(s) as may be required under this Contract.

b. Seller shall prepare technical data in accordance with the Statements of Work of this Contract and such technical data may be subject to export restrictions. Delivery of such data to foreign addressees is contingent upon release authorization by the respective government agency.

c. In the event any government does not provide to Seller written approval of Technical Assistance Agreements and any other applicable licenses, export or import licenses, visas, residence permits, work

permits, non-transfer and end use certificate or other similar government actions or approvals necessary: (1) to perform this Contract; (2) to export from or to deliver to NAPMO any items involved in the performance of this Contract; or 3) to permit Seller and its subcontractors to contract consistent with the performance and delivery schedules of this Contract, an equitable adjustment shall be negotiated. Failure to reach agreement will constitute a dispute as provided for in the Disputes article of in the General Provisions.

7. Rights in Data

a. All data and deliverables developed and funded under this Contract shall be the legal and absolute property of Buyer's Customer.

b. Buyer and NAPMO shall have the right to use, duplicate, or disclose Data and Deliverables, including background information, provided under this Contract, in whole or in part, for NATO purposes. This includes, but is not limited to any modernization project within the NATO AWACS program by NAPMO countries industry.

c. Notwithstanding any other provision of this Contract, the examination and audit of the Contractor's financial books and records shall be limited to authorized representatives of its national government, or Seller or Seller's subcontractor's national auditing services.

c. The period of access and examination described above for records which relate to the litigation, or the settlement of claims arising out of the performance of this Contract, shall continue until such appeals, litigation or claims have been disposed of.

11. Invoicing and Payment via Clearing House

This process applies only to European first tier subcontractors. The following procedures apply to "Clearing House" subcontractors.

a. A first tier Seller performing under this Contract with currencies different than their direct principal should fall under the procedures of the Clearing House Process in order to eliminate the exchange rate fluctuation risk.

Clearing House subcontracts will be priced and all invoices for payment will be in the Seller's national currency. Clearing House Sellers will be paid in their national currency by Buyer's Customer. Payments to Clearing House subcontractors will be based on the completion of contract milestones.

When a first tier Seller has completed a payment milestone in accordance with its contract, the first tier Seller will submit an invoice to Buyer. The invoice must contain:

- i. The amount of the invoice in first tier subcontractor currency(s)
 - ii. The cumulative amount invoiced to date by currency
- b. Following receipt of the complete and certified invoice and payment in U.S. dollars from Buyer, Buyer's Customer will initiate direct payment to the Clearing House Seller.
- c. The normal process for Buyer's Customer will be to initiate payment of European invoices within 30 days of receiving a complete and certified invoice.
- d. In the event Buyer's Customer fails to make timely payment of a Seller's Clearing House invoice(s), Seller shall notify Buyer within five (5) calendar days of becoming aware of such event. Such notification shall identify the invoices by number and date, which have not been paid and shall state the monetary value of said invoices.
