2. The following prime contract special provisions apply to this purchase order:

#### **Intellectual Property Rights**

1. The Intellectual Property Rights (IPR) conditions applicable to each Technical Deliverable shall be DEFCON’s 632 (Edn 10/04) and 705 (Edn 11/02).

2. The Supplier shall enter into an Agreement with, and on the form prescribed by, the UK MoD. Two signed copies of the agreement are required to be sent to the Authority direct, or submitted via the Purchaser.

3. Neither Party shall acquire title to any Background Rights of the other Party pursuant to this Contract.

4. The Supplier grants to the Purchaser a non-exclusive licence (on fair and reasonable terms to be agreed) to use any of the Supplier’s Background Rights and the Foreground Rights vested in the Supplier pursuant to this Contract to the extent necessary to fulfil the Purchaser’s obligations under the Prime Contract to the Authority, subject to the terms and execution of applicable Boeing Licensing Agreements which will be append to this Contract upon agreement

#### **Security Measures**

1. The Supplier shall ensure, where appropriate, that his employees are cleared to the appropriate security level as stated in the Security Aspects Letter issued by the Authority to the Purchaser.

2. The Purchaser reserves the right to insist on increased levels of security clearance for specific duties and to refuse or withdraw security clearance under specific circumstances following notification received by the Purchaser from the Authority.

3. The Supplier shall ensure that his employees, agents or Sub-Contractors comply with relevant UK MoD Security regulations when working at Government Property. This may include in the most exceptional circumstances a willingness to submit to a search of their person, personal belongings and transport when entering or leaving Government Property. The Supplier shall accept (without prejudice to any remedies the Purchaser may have) full responsibility for any loss or delay in performance of the Contract caused directly or indirectly by the expulsion of, or refusal to allow access to, a Supplier's employee, agent or Sub-Contractor who does not consent to being searched.

### **Supplier's Personnel**

1. Personnel employed under the Contract shall have the appropriate qualifications, competence and security clearance for the tasks on which they are engaged.
2. Where so requested by the Purchaser following a request from the Authority, particulars (as detailed by the Authority) of all personnel to be so employed shall be forwarded in advance to the Purchaser for confirmation of acceptability unless such information is protected by US law.
3. The Supplier shall take all reasonable steps to avoid changes of personnel assigned to the work under the Contract. Except whenever changes are unavoidable or of a temporary nature caused by sickness etc, the Supplier shall give at least one month's notice to the Purchaser and paragraphs 1 and 2 above shall apply to the replacement personnel.

### **Health and Safety**

1. The Supplier shall familiarise itself with and ensure that its sub-contractors and agents shall familiarise themselves with and use reasonable endeavours to comply with the Purchaser's and the Authority's procedures relating to discipline, fire, health and safety when on the U.K sites of the Authority and the Purchaser and such other procedures applicable to such other sites as the Contract requires.
2. The Supplier shall ensure that he complies with the Health and Safety at Work etc Act 1974 and corresponding "Enabling Regulations", Environmental Protection Act 1990, the Environment Act 1995 and other relevant statutory provisions.
3. The Supplier shall ensure the he operates under an Environmental Management System based on ISO 9001.
