(This clause applies if Seller has a PA/IA/DSPA (as defined in paragraph (1), below) with the ALC (as defined in paragraph (1), below). Whether or not Seller has a PA/IA/DSPA with the ALC, Seller shall ensure that this clause is included in subcontracts where such subcontractors, at the appropriate tier, have a PA/IA/DSPA with the ALC for this contract. In this clause, "Contractor" means Seller, and "subcontractors" refers to Seller's subcontractors at any tier.)

(1) Purpose: This Special Contract Requirement is established to provide guidance and facilitate the implementation of Public Private Partnerships (PPPs) between the Government Buying Activity (Government) and the Contractor. Terms and conditions for PPPs are established through Partnering Agreements (PA) between the Contractor and the Air Force Logistics Centers (ALC) in order to place work through Implementation Agreements (IA). The Direct Sales Partnership Agreement (DSPA) shall be used for developing IA between the Contractor or the Contractor's subcontractors and the ALCs.

(2) Authority: The Contractor and its subcontractors involved in depot partnering efforts are authorized to enter into PPPs via a DSPA pursuant to appropriate statutory authority such as:

- (a) 10 USC. Section 2208(j)
- (b) 10 USC. Section 2563
- (c) 10 USC. Section 2667
- (d) 10 USC. Section 2474
- (e) 10 USC. Section 2770
- (f) 10 USC. Section 2539b
- (g) FAR Part 45.3.

In a PPP, which is negotiated under the authority of the foregoing statutes, the ALC performs as a seller of goods and services.

(3) Flow-down Requirement: The Contractor shall insert the substance of this clause in its subcontracts where such subcontractors, at the appropriate tier, have a PA/IA/DSPA with the ALC for this contract.

(4) FAR Non-Applicability: Pursuant to FAR 1.104, FAR Applicability, PA/IA/DSPA fall outside the applicability of the FAR and agency supplements, because the FAR applies to contractors where the Government party functions as the buyer. No clause or provision contained in the FAR or the DoD Agency Supplement, or any Presidential Executive Order (EO) otherwise applying to the conduct of acquisition from Non-Federal contractors, which is specifically included in this prime contract, shall apply to any PA/IA/DSPA issued to any other contractual vehicle placed by the Contractor with an ALC providing a supply/service under this prime contract, except as may be expressly included by mutual consent.

(a) TINA Non-Applicability: The Truth in Negotiations Act (TINA), 10 U.S.C. Section 2306a, as amended, and its implementing regulations/clauses, do not apply to any ALC performing under this contract. Accordingly, the Government agrees:

- i. The portion of the Contractor's contract price that consists of costs relating to work performed by an ALC need not be supported by the submission of certified cost or pricing data;
- ii. Requirements for submission of "subcontractor cost or pricing data," and performance of a cost analysis on said data by the Contractor are inapplicable to cost or pricing data submitted by an ALC under PA/IA/DSPA and,
- iii. The absence of such certified data shall not form the basis, directly or indirectly, for a claim by the Government for defective pricing against the Contractor.

(b) Non-Applicability of Advance Payments: The Contracting Officer will not consider the cash advances required by the terms of the PA/IA/DSPA to be "Advance Payments" under FAR Part 32.4.

- i. Pricing guidance for sales of goods/services by the ALCs provided to the Contractor under a PA/IA/DSPA is set forth in DoD Financial Management Regulation (DFMR), Volume 2B, Chapter 9, paragraph 090105, 7000.14-R, "Public Private Partnerships at Defense Working Capital Fund Depot Maintenance Activities".
- ii. When appropriate to the scope of, and risks associated with, the subject contract, the ALC may elect to accept incremental "advance payments" pursuant to DFMR 7000.14-R, Volume 2B, Chapter 9, paragraph 090105, Subparagraph E. FAR Part 32.4 will continue to apply with respect to any Advance Payments by the Government (as the buyer) for the exclusive benefit of the Contractor under this contract.

(5) Release of Responsibility: Notwithstanding any clause or provision in this contract, including but not limited to the "Excusable Delays" and "Termination Default" clauses, the Government agrees not to hold the Contractor responsible, directly or indirectly, for the delay, non-performance, or other non-compliance of any work required under this contract to the extent such delay, non-

performance, or non-compliance is wholly or substantially attributable to the action or inaction of an ALC performing an IA related to the Contractor's performance obligations under this contract. Nothing herein shall be construed or is intended to modify the Contractor's rights or obligations under the disputes clause, the applicable "changes," or any other clauses entitling the Contractor to an equitable adjustment under this contract.

(a) Equitable Adjustment: Such delay, non-performance, or other non-compliance attributable to the ALC in performing such PA/IA/DSPA, may be considered to be an excusable delay for the Contractor or noncompliance for which an equitable adjustment in the performance period and/or cost/price of this contract may be provided by the Government to the Contractor if so requested by the Contractor, and where the Contractor can demonstrate such ALC fault (quantum and entitlement) as required by the Disputes clause in this contract. Further, such delay, non-performance, or non-compliance shall not be used by the Government, in whole or in part, as the basis for termination for default, withholding of progress payments or the assessment of liquidated damages by the Government under this contract. Any disagreement with the Contracting Officer's final decision regarding an equitable adjustment is subject to the Disputes clause.

(b) Other Contract Impacts: Such delay, non-performance, or non-compliance attributable to the ALC shall not be used, in whole or in part, by the Government as a basis for,

i. An adverse rating of the

Contractor under the Contractor Performance Assessment Review System (CPARS);

ii. An adverse rating of the Contractor under an award incentive type contract;

iii. Debarment or Suspension of the Contractor from doing business with the Government or proposing the Contractor for debarment or suspension;

iv. Withdrawing Government approval of the Contractor's Purchasing System; and

v. Application of any special risk transfer provision where a performance failure adversely impacts Contract compliance, i.e., total system program/integration responsibility (TSP/IR), liquidated damages, warranty, if applicable.

(c) Continued "Good Faith Duty to Mitigate." This provision does not excuse the Contractor from its requirement to continuously exercise good faith to effectively manage the ALC and, if necessary, to perform the affected services itself or find a commercial subcontractor to perform the services. Such efforts include reasonable corrective actions to mitigate the effects of the ALC's noncompliance on prime contract schedule and/or prices. Likewise, this provision does not excuse the ALC from continuously exercising its best and good faith efforts to perform its obligations under its PA/IA/DSPA.

(6) Risk of Damage/Loss. The Government assumes the risk of, and shall be responsible for, any loss or destruction of, or damage to any Government or Contractor and/or subcontractor property delivered to the ALC under a PA/IA/DSPA to the same extent as the Contractor would otherwise be responsible including but not limited to, any amounts the Contractor might otherwise be responsible for under Defense Federal Acquisition Regulation Supplement (DFARS) clauses 252.228-7001, "Ground and Flight Risk," or other Government Property clauses of this contract. In the event the Contractor provides the ALCs with Government or Contractor/subcontractor property accountable to this contract and such property is required for continued performance of these contracts and is either lost, damaged or destroyed by the ALC, the Contractor/subcontractor may be entitled to an equitable adjustment under the terms and conditions of this contract to the extent the Contractor actually suffers a loss attributable to the ALC.
