

**CUSTOMER CONTRACT REQUIREMENTS  
(PROGRAM DESCRIPTION)  
CUSTOMER CONTRACT F33657-03-C0001**

**CUSTOMER CONTRACT REQUIREMENTS**

The following customer contract requirements apply to this contract to the extent indicated below. If this contract is for the procurement of commercial items under a Government prime contract, as defined in FAR Part 2.101, see Section 3 below.

1. The following contract clauses are incorporated by reference from the Federal Acquisition Regulation and apply to the extent indicated. In all of the following clauses, "Contractor" and "Offeror" mean Seller.

52.203-6 Restrictions on Subcontractor Sales to the Government (JUL 1995). This clause applies only if this contract exceeds \$100,000.

52.203-7 Anti-Kickback Procedures (excluding subparagraph (c)(1)) (JUL 1995). Buyer may withhold sums owed Seller the amount of any kickback paid by Seller or its subcontractors at any tier if (a) the Contracting Officer so directs, or (b) the Contracting Officer has offset the amount of such kickback against money owed Buyer under the prime contract. This clause applies only if this contract exceeds \$100,000.

52.203-11 Certification and Disclosure Regarding Payments to Influence Certain Federal Transactions (APR 1991). By signing and returning its solicitation response, Seller is executing the certification included in this clause. The certification required by this clause applies only if this contract exceeds \$100,000.

52.203-11 Certification and Disclosure Regarding Payments to Influence Certain Federal Transactions (APR 1991). By signing and returning its solicitation response, Seller is executing the certification included in this clause. The certification required by this clause applies only if this contract exceeds \$100,000.

52.203-12 Limitation on Payments to Influence Certain Federal Transactions (JUN 1995). This clause applies only if this Contract exceeds \$100,000. Paragraph (c)(4) is modified to read as follows: "(c)(4) Seller will promptly submit any disclosure required (with written notice to Boeing) directly to the PCO for the prime contract. Boeing will identify the cognizant Government PCO at Seller's request. Each subcontractor certification will be retained in the subcontract file of the awarding contractor.

52.204-2 Security Requirements (AUG 1996). "Changes clause" means the changes clause of this contract. This clause applies only if access to classified material is required.

52.211-5 Material Requirements (AUG 2000). Any notice will be given to Buyer rather than the Contracting Officer.

52.211-15 Defense Priority and Allocation Requirements (SEP 1990). This clause is applicable if a priority rating is noted in this contract.

52.215-2 Audit and Records - Negotiation (JUN 1999). This clause applies only if this contract exceeds \$100,000 and (i) is cost-reimbursement, incentive, time-and-materials, labor-hour, or price-redeterminable type or any combination of these types: (ii) Seller was required to provide cost or pricing data, or (iii) Seller is required to furnish reports as discussed in paragraph (e) of the referenced clause.

**4. Cost Accounting Standards**

(1) (Applicable if this contract incorporates clause H001). The version of FAR 52.230-2, Cost Accounting Standards, incorporated by clause H001 is the version dated April 1998.

(2) (Applicable if this contract incorporates clause H002). The version of FAR 52.230-3, Disclosure and Consistency of Cost Accounting Practices, incorporated by clause H002 is the version dated April 1998.

(3) (Applicable if this contract incorporates clause H004). The version of FAR 52.230-5, Cost Accounting Standards – Educational Institution, incorporated by clause H004 is the version dated April 1998.

**5. The following prime contract special provisions apply to this purchase order:**

**A. NOTIFICATION OF DEBARMENT/SUSPENSION STATUS**

Seller shall provide immediate notice to Buyer in the event of being debarred suspended, or proposed for debarment by any Federal Agency during the performance of this Contract.

**B. NOTIFICATION OF GOVERNMENT SECURITY ACTIVITY AND VISITOR GROUP SECURITY AGREEMENTS (Applies only work is performed on a Government installation)**

This contract contains a DD Form 254, DOD Contract Security Classification Specification, and requires performance at a government location in the U.S. or overseas. Prior to beginning operations involving classified information on an installation identified on the DD Form 254, the Seller shall take the following actions:

(1) At least thirty days prior to beginning operations, notify the security police activity shown in the distribution block of the DD Form 254 as to:

- (a) The name, address, and telephone number of this contract company's representative and designated alternate in the U.S. or overseas area, as appropriate;
- (b) The contract number and military contracting command;
- (c) The highest classification category of defense information to which contractor employees will have access;
- (d) The Air Force installations in the U.S. (in overseas areas, identify only the APO number(s)) where the contract work will be performed;
- (e) The date Seller operations will begin on base in the U.S. or in the overseas area;

(f) The estimated completion date of operations on base in the U.S. or in the overseas area; and

(g) Any changes to information previously provided under this clause. This requirement is in addition to visit request procedures contained in DOD 5220.22-M, National Industrial Security Program Operating Manual.

(2) Prior to beginning operations involving classified information on an installation identified on the DD Form 254 where the Seller is not required to have a facility security clearance, the Seller shall enter into a Visitor Group Security Agreement (or understanding) with the installation commander to ensure that the Seller's security procedures are properly integrated with those of the installation. As a minimum, the agreement shall identify the security actions that will be performed:

(a) By the installation for the Seller, such as providing storage and classified reproduction facilities, guard services, security forms, security inspections under DOD 5220.22-M, classified mail services, security badges, visitor control, and investigating security incidents; and

(b) Jointly by the Seller and the installation, such as packaging and addressing classified transmittals, security checks, internal security controls, and implementing emergency procedures to protect classified material.

**C. HEALTH AND SAFETY ON GOVERNMENT INSTALLATIONS (Applies only work is performed on a Government installation)**

(1) In performing work under this contract on a Government installation, the Seller shall:

(a) Comply with the specific health and safety requirements established by this contract;

(b) Comply with the health and safety rules of the Government installation that concern related activities not directly addressed in this contract;

(c) Take all reasonable steps and precautions to prevent accidents and preserve the health and safety of contractor and Government personnel performing or in any way coming in contact with the performance of this contract; and

(d) Take such additional immediate precautions as the contracting officer may reasonably require for health and safety purposes.

(2) The contracting officer may, by written order, direct Air Force Occupational Safety and Health (AFOSH) Standards and/or health/safety standards as may be required in the performance of this contract and any adjustments resulting from such direction will be in accordance with the Changes clause of this contract.

(3) Any violation of these health and safety rules and requirements, unless promptly corrected as directed by the contracting officer, shall be grounds for termination of this contract in accordance with the Default clause of this contract.

**D. AEROSPACE ENABLING CLAUSE FOR TECHNICAL REVIEW**

(1) The Air Force has entered into a contract with The Aerospace Corporation for the services of a technical group that will support the ABL program office by performing Technical Review tasks.

(2) Technical Review (TR) is the process of appraising the technical performance of the Seller through meetings, exchanging information on progress and problems, reviewing reports, evaluating presentations, reviewing hardware and software, witnessing and evaluating tests, analyzing plans for future work, evaluating efforts relative to contract technical objectives, and providing comments and recommendations in writing to the ABL program office as an independent technical assessment for their consideration for modifying the program or redirecting the Seller's efforts to assure timely and economical accomplishment of program objectives.

(3) In the performance of this contract, the Seller agrees to cooperate with the Aerospace Corporation and Buyer by responding to invitations from authorized personnel to attend meetings;

by providing access to technical information and research, development, and planning data such as, but not limited to, design and development analyses; test data and results; equipment and process specifications; test and test equipment specifications and procedures, parts and quality control procedures, records and data; manufacturing and assembly procedures; and schedule and milestone data, all in their original form or reproduced form and excluding financial data; by delivering data as specified in the Contract Data Requirements List; by discussing technical matters relating to this program; by providing access to Seller facilities utilized in the performance of the contract; and by allowing observation of technical activities by appropriate Aerospace and Buyer technical personnel, except of certain commercial technical data related to Boeing Commercial aircraft as identified in commercial terms set forth in Contract F3367-03-C-0008, purchase of the Block 2008 Boeing Commercial Aircraft. The Aerospace personnel engaged in technical review effort are authorized access to any technical information pertaining to the contract, except for data which Boeing Commercial Aircraft reserves the right to approve access to all Boeing Commercial Aircraft data, such access would be granted only under commercial terms set forth in Contract F3367-03-C-0008, purchase of the Block 2008 Boeing Commercial Aircraft and shall be used for evaluation purposes only.

(4) The Seller further agrees to include in each subcontract a clause requiring compliance by the subcontractor and succeeding levels of subcontractors with the response and access provisions of paragraph (3) above, subject to coordination with the Buyer. This agreement does not relieve the Seller of its responsibility to manage the subcontracts effectively and efficiently nor is it intended to establish privity of contract between the Government, Buyer or The Aerospace Corporation and such subcontractors.

#### **E. SUBCONTRACTOR WARRANTIES**

In addition to any other warranty rights and remedies by the contract, the Seller shall assure that all subcontractor warranties/guarantees applicable to the accessories, equipment and parts installed in or provided as a part of the (end item) purchased under this contract are fully available to, and for the benefit of the Government for the life time of such warranties and shall enforce these warranties on behalf of the Government consistent with the Contracting Officer or Buyer's direction and the terms of the applicable warranty so long as such warranties shall remain in effect.
