CUSTOMER CONTRACT REQUIREMENTS

The following customer contract requirements apply to this contract to the extent indicated below. If this contract is for the procurement of commercial items under a Government prime contract, as defined in FAR Part 2.101, see Section 3 below.

1. FAR Clauses The following contract clauses are incorporated by reference from the Federal Acquisition Regulation and apply to the extent indicated. In all of the following clauses, "Contractor" and "Offeror" mean Seller.

52.203-6 Restrictions on Subcontractor Sales to the Government (SEP 2006). This clause applies only if this contract exceeds (i) \$100,000 if included in Buyer's customer RFP or customer contract issued before October 1, 2010 or (ii) \$150,000 if included in Buyer's customer RFP issued on or after October 1, 2010, or if the prime contract was issued prior to October 1, 2010 but was amended after October 1, 2010 to increase the Simplified Acquisition Threshold.

52.203-7 Anti-Kickback Procedures (MAY 2014). Buyer may withhold from sums owed Seller the amount of any kickback paid by Seller or its subcontractors at any tier if (a) the Contracting Officer so directs, or (b) the Contracting Officer has offset the amount of such kickback against money owed Buyer under the prime contract. This clause, excluding subparagraph (c)(1), applies only if this contract exceeds \$150,000.

52.203-8 Cancellation, Rescission, and Recovery of Funds for Illegal or Improper Activity (MAY 2014). This clause applies to this contract if the Seller, its employees, officers, directors or agents participated personally and substantially in any part of the preparation of a proposal for this contract. The Seller shall indemnify Buyer for any and all losses suffered by the Buyer due to violations of the Act (as set forth in this clause) by Seller or its subcontractors at any tier.

52.203-10 Price or Fee Adjustment for Illegal or Improper Activity (MAY 2014). This clause applies only if this contract exceeds (i) \$100,000 if included in Buyer's customer RFP or customer contract issued before October 1, 2010 or (ii) \$150,000 if included in Buyer's customer RFP issued on or after October 1, 2010, or if the prime contract was issued prior to October 1, 2010 but was amended after October 1, 2010 to increase the Simplified Acquisition Threshold. If the Government reduces Buyer's price or fee for violations of the Act by Seller or its subcontractors at any tier, Buyer may withhold from sums owed Seller the amount of the reduction.

52.203-12 Limitation on Payments to Influence Certain Federal Transactions (OCT 2010). This clause applies only if this contract exceeds \$150,000. Paragraph (g)(2) is modified to read as follows: "(g)(2) Seller will promptly submit any disclosure required (with written notice to Boeing) directly to the PCO for the prime contract. Boeing will identify the cognizant Government PCO at Seller's request. Each subcontractor certification will be retained in the subcontract file of the awarding contractor."

52.203-13 Contractor Code of Business Ethics and Conduct (OCT 2015). This clause applies only if this contract is in excess of \$5,500,000 and has a period of performance of more than 120 days.

52.203-17 Contractor Employee Whistleblower Rights and Requirement To Inform Employees of Whistleblower Rights (APR 2014). This clause applies only if this contract exceeds \$150,000.

5. Prime Contract Special Provisions The following prime contract special provisions apply to this purchase order

H-011 IDENTIFICATION AND ASSERTION OF RESTRICTIONS ON TECHNICAL DATA AND COMPUTER SOFTWARE (OCT 2011).

(a) Definitions. Terms used in this special contract requirement (SCR) that are defined in the following clauses and SCR have the same meaning as set forth in those clauses and SCR:

1. DFARS 252.227-7013;
2. DFARS 252.227-7014;
3. DFARS 252.227-7015;
4. DFARS 252.227-7017; or
5. H-012 Delivery and License Rights for Technical Data and Computer Software Necessary for Organizational-Level and Depot-Level Maintenance

(b) Identification and Assertion of Restrictions. Seller shall not deliver or otherwise provide under this contract any technical data or computer software with restrictive markings (or otherwise subject to restrictions on access, use, modification, reproduction, release, performance, display, or disclosure) unless the technical data or computer software has been identified in accordance with the following requirements:

1. Pre-Award Identification and Assertion. Seller (including its subcontractors or suppliers, or potential subcontractors or suppliers, at any tier) identified all technical data and computer software that it proposed to be delivered or otherwise provided (including technical data and computer software that it proposed to be delivered) with less than Unlimited Rights as follows:

A. Noncommercial Technologies. Noncommercial technical data and noncommercial computer software was identified pursuant to DFARS 252.227-7017.

B. Commercial Technologies. The contractor also identified and asserted any restrictions for all commercial computer software (including commercial off the shelf software) and commercial technical data (i.e., technical data pertaining to a commercial item) by providing the same types of information, using a similar format, and following the same procedures and requirements as specified at DFARS 252.227-7017.

C. The requirement to submit, complete, and sign the identification and assertions required by paragraphs b.1.A or b.1.B of this clause is considered a material element of source selection and failure to meet this requirement could render the offer ineligible for award.

2. Post-Award Updates to the Pre-Award Identification and Assertions. Except as provided in this paragraph, Seller (including its subcontractors or suppliers at any tier) shall not supplement or revise the pre-award Identification and Assertions after contract award.

A. Noncommercial Technologies. Post-award identification and assertion of restrictions on noncommercial technical data and noncommercial computer software are governed by paragraph (e) of DFARS 252.227-7013 and DFARS 252.227-7014, respectively.

B. Commercial Technologies. Seller may supplement or revise its pre-award identification and assertion of restrictions on commercial computer software and commercial technical data only if such an expansion or revision would be permitted for noncommercial computer software or noncommercial technical data pursuant to paragraph b.2.A of this clause (i.e., based on new information, or inadvertent omissions that would not have materially affected source selection).

C. Upon request by Buyer, Seller shall provide sufficient information to enable the Buyer's customer to evaluate any listed assertions.

(c) Specific Identification of Technical Data and Computer Software. When identifying and asserting restrictions on technical data and computer software pursuant to paragraph b of this clause, Seller shall--

1. Ensure that the technical data and computer software are identified by specific reference to the requirement to deliver or provide that technical data or computer software in the contract, for example, by referencing the associated CLINs, SDRs, or paragraphs in the statement of work. Regarding any computer software that is rehosted, modified, or developed exclusively or partially at Government expense, the asserted restrictions on the associated data license rights shall specifically address source code, object code, executable code, documentation, software support tools, S/SEE (software/systems engineering environment) documentation, Systems/Software Requirement Documents, Interface Control Documents, etc., in accordance with SCR H-012.

2. Include the relevant information for all technical data and computer software that are or may be required to be delivered or

otherwise provided under the contract -- including all Option CLINs or other optional or contingent delivery requirements (i.e., presuming that the Buyer will exercise the option to require delivery), online or remote access to information, and firmware or other computer software to be embedded in hardware deliverables.

(d) Copies of Negotiated, Commercial, and Other Non-Standard Licenses. Seller shall provide copies of all proposed specially negotiated licenses(s), commercial license(s), and any other asserted restrictions other than Government purpose rights; limited rights; restricted rights; SBIR data rights for which the protection period has not expired; or Government's minimum rights as specified in the clause at 252.227-7015.

H-012 DELIVERY AND LICENSE RIGHTS FOR TECHNICAL DATA AND COMPUTER SOFTWARE NECESSARY FOR ORGANIZATIONAL-LEVEL AND DEPOT-LEVEL MAINTENANCE (OCT 2011).

(a) Definitions. As used in this special contract requirement and associated CLINs:

1. The term "depot level maintenance" and "organizational level maintenance" as used in this contract-

A. Includes, but is not limited to-

(i) Installation, inspection, localization, isolation, disassembly, interchange, repair, reassembly alignment, and checkout; and

(ii) Maintenance performed on materiel requiring repair or major overhaul and including modification, testing, and reclamation.

B. Does not include the design or manufacture of new items.

2. Technical Data Package as used in this contract is defined as all commercial and non-commercial computer software and technical data (including computer software documentation) necessary for operation, maintenance, installation or training purposes (other than detailed manufacturing or process data) pertaining to the Seller's Goods delivered hereunder, associated with its life cycle support.

3. Other terms used in this special contract requirement that are defined in the following clauses have the same meaning as set forth in those clauses:

A. DFARS 252.227-7013;

8. DFARS 252.227-7014; and

C. DFARS 252.227-7015.

(b) Delivery Requirements. Seller shall deliver all commercial and non-commercial technical data (including computer software documentation) and computer software necessary for organizational and depot level maintenance of the Goods delivered hereunder. In addition, Seller shall deliver all technical data (including computer software documentation) and computer software necessary to develop a Government owned System Integration Laboratory (SIL) (CUN 0712).

1. General. Seller shall provide the technical data and computer software having the characteristics (e.g., content, format, and delivery medium) necessary for organizational and depot level maintenance as determined and required by the Government. Such technical data or computer software shall include-

A. No less information or detail than industry standards, nor less than Seller typically requires, to perform such maintenance activities; and

B. Additional information or detail that is necessary for military purposes related to organizational and depot level maintenance.

2. Organizational Level and Depot Level Maintenance Technical Data and Computer Software. The technical data (including computer software documentation) and computer software must provide a complete package of all technical data (including computer software documentation) and computer software necessary for the Government to perform organizational and depot level maintenance for Seller's Goods delivered hereunder, including all systems, subsystems, and components without exception. This includes technical data and computer software necessary for installation and de-installation, and disassembly and reassembly, at the lowest practicable segregable level that does not require detailed manufacturing or process information.

Examples of technical data and computer software that are needed to perform organizational and depot level maintenance includes, but are not limited to, the following:

A. Detailed Augmented Hardware Training Devices (AHTD) and Virtual Maintenance Training System (MTS)

technical data and information;

B. Organizational and Depot level maintenance technical data and information regarding all systems, subsystems, and components;

C. Interface Control Documents (ICDs); and

D. Computer software and computer software documentation necessary to perform organizational level and depot level maintenance on computer programs.

(c) License Rights. Pursuant to the contract clauses and regulations governing rights in technical data and computer software (DFARS 227.7202, 252.227-7013, 252.227-7014, and 252.227-7015), the Government is granted certain defined rights in all technical data (including computer software documentation) and computer software developed or delivered under this contract. The parties are also allowed to negotiate special license agreements, subject to certain limitations (e.g., see paragraph 2. below).

1. Identification and Assertion of Restrictions. If Seller (including its subcontractors or suppliers at any tier) desires to provide the Government with less than Unlimited Rights in any technical data or computer software, that technical data and computer software must have been identified using the procedures and format required by special contract requirement H-011, Identification and Assertion of Restrictions on Technical Data and Computer Software. The license rights identified in the list(s) for technical data and computer software for organizational and depot level maintenance shall provide the Government (including its support contractors) with all rights necessary to perform organizational and depot level maintenance including at least those minimum rights specified for these purposes in paragraph 2.B below.

2. Government's License Rights. Subject to the rights and obligations referenced in paragraph (e) of this clause, the Government shall have the following license rights:

A. Pursuant to the contract clauses governing rights in technical data and computer software, the Government is granted Unlimited Rights in all technical data (including computer software documentation) that is necessary for operation, maintenance (including organizational and depot level maintenance), installation, or training. However, for such technical data or computer software related to items developed exclusively or partially at private expense, the Government is willing to accept less than Unlimited Rights in such technical data or computer software, as long as the Government obtains rights sufficient for organizational and depot level maintenance activities by the Government (including its support contractors), as specified in paragraph B below.

B. If Seller provides the Government with less than Unlimited Rights in such technical data or computer software related to items developed exclusively or partially at private expense, the Government shall have at least the following rights in all technical data and computer software necessary for organizational and depot level maintenance:

(i) For noncommercial technical data, all rights included in Limited Rights (DFARS 252.227- 7013(a)(13)) and all rights specified in (iii); and for commercial technical data, all rights specified at DFARS 252.227-7015(b)(2), all rights specified in (iii), and all additional rights contained in any license customarily provided to the public.

(ii) For noncommercial computer software, all rights specified in (iii) and all rights included in Restricted Rights (DFARS 252.227-7014(a)(14)); and for commercial computer software, all rights specified in (iii) and all additional rights contained in any license customarily provided to the public.

(iii) In addition to the rights specified in (i) and (ii), and subject to the protections in paragraph c.3., the right to release or disclose all such technical data or computer software outside the Government, and to authorize the recipient of such information to use, modify, release, perform, display, or disclose the technical data or computer software for the sole purpose of supporting any and all Organizational and depot level maintenance activities for the KC-46 MTS.

(iv) Unless authorized in writing by the party asserting restrictions on such technical data or computer software, the Government and its contractors (i.e., as recipients under paragraph (iii) above) may not use such technical data or computer software to manufacture additional quantities of any item or for any commercial purpose.

3. All contractors or other persons receiving technical data or computer software as authorized by paragraph B above shall be subject to a legal prohibition (e.g., nondisclosure agreement) against using such technical data and computer software for any purpose other than supporting the Government's organizational and depot level maintenance activities, as appropriate and authorized, for the KC-46 MTS and equipment.

(d) Technical Data and Computer Software of Subcontractors and Suppliers. Seller's obligations under this clause shall apply to all technical data and computer software, including all technical data or computer software developed, delivered, or otherwise provided by subcontractors or suppliers at any tier, and regardless of whether the computer software or technical data is or relates to commercial items or noncommercial items. Seller shall include these requirements in its subcontracts or other contractual or legal instruments with its subcontractors or suppliers at any tier.

(e) Validation of Asserted Restrictions and Restrictive Markings. Nothing in this special contract requirement limits or otherwise affects the parties' rights or obligations specified in the DFARS 252.227-7019 or DFARS 252.227-7037.
