#### 4. Cost Accounting Standards

(1) (Applicable if this contract incorporates clause H001). The version of FAR 52.230-2, Cost Accounting Standards, incorporated by clause H001 is the version dated April 1998.

#### 5. The following prime contract special provisions apply to this purchase order:

##### A. NOTIFICATION OF DEBARMENT/SUSPENSION STATUS

Seller shall provide immediate notice to Buyer in the event of being debarred suspended, or proposed for debarment by any Federal Agency during the performance of this Contract.

##### B. EXPORT CONTROLLED DATA RESTRICTIONS

(1) For the purpose of this clause,

- (A) Foreign person is any person who is not a citizen of the U.S. or lawfully admitted to the U.S. for permanent residence under the Immigration and Nationality Act, and includes foreign corporations, foreign organizations, and foreign governments;
  - (B) Foreign representative is anyone, regardless of nationality or citizenship, acting as an agent, representative, official, or employee of a foreign government, a foreign-owned or influenced firm, corporation, or person; and
  - (C) Foreign sources are those sources (vendors, subcontractors, and suppliers) owned and controlled by a foreign person.
- (2) Seller shall place a clause in subcontracts containing appropriate export control restrictions, set forth in this clause.
- (3) Nothing in this clause waives any requirement imposed by any other U.S. Government agency with respect to employment of foreign nationals or export-controlled data and information.
- (4) Equipment and technical data generated or delivered in the performance of this contract are controlled by the International Traffic in Arms Regulation (ITAR), 22 CFR Sections 121 through 128. An export license is required before assigning any foreign source to perform work under this contract or before granting access to foreign persons to any equipment and technical data generated or delivered during performance (see 22 CFR Section 125). Seller shall notify Buyer and obtain the written approval of Buyer prior to assigning or granting access to any work, equipment, or technical data generated or delivered in the performance of this contract to foreign persons or their representatives. This notification shall include the name and country of origin of the foreign person or representative, the specific work, equipment, or data to which the person will have access, and whether the foreign person is cleared to have access to technical data (DoD 5220.22-M, National Industrial Security Program Operating Manual (NISPOM)).

**C. AIR FORCE MATERIEL COMMAND FEDERAL ACQUISITION REGULATION SUPPLEMENT CONTRACT CLAUSES**

5352.227-9000 Export-Controlled Data Restrictions. (AFMC) (JULY 1997).

**D. FOREIGN NATIONALS - FOREIGN SOURCES**

- (1) For the purposes of this clause,
- (A) Foreign nationals are those persons not citizens of, not nationals of, or resident/immigrant aliens to, the United States;
  - (B) Foreign representative is anyone, regardless of nationality or citizenship, acting as an agent, representative, official, or employee of a foreign government, a foreign-owned or influenced firm, corporation, or person; and
  - (C) Foreign sources are those sources (vendors, subcontractors, and suppliers) not owned and controlled by citizens or immigrant aliens of the United States.
- (2) Nothing in this clause is intended to waive any requirement imposed by any other U.S. Government agency with respect to employment of foreign nationals or export-controlled data and information.
- (3) Seller acknowledges that equipment and technical data generated or delivered in the performance of this contract is controlled by the International Traffic in Arms Regulation (ITAR), 22 CFR Sections 121 through 128, and require an export license before assigning any foreign national to perform work under this contract or before granting access to foreign nationals to any equipment and technical data generated or delivered in performance of this contract (see 22 CFR Section 125). Seller agrees to notify and obtain the written approval of Buyer prior to assigning or granting access to any work, equipment, or technical data generated or delivered in the performance of this contract to foreign nationals or their representatives. This notification will include the name and country of origin of the foreign national or representative, the specific work, equipment, or data to which the person will have access, and whether the foreign national is

cleared to have access to technical data (DoD 5220.22-M, National Industrial Security Program Operating Manual (NISPOM)).

**E. PROPRIETARY INFORMATION/LICENSE/DATA RIGHTS (MAR 2006)**

1. "Proprietary Data" shall be that information, data, or material in oral or written form which is identified to the Government as proprietary at the time of disclosure.

(a) Information data or material claimed to be or embody the proprietary and/or trade secret information of the contractor or any subcontractor, and which is not information, data or material formally delivered or required to be delivered or furnished under this contract, but which is nevertheless disclosed to the Government, may be marked as "Proprietary Data" or otherwise as appropriate. Such markings must specifically identify the entity claiming the data as proprietary or trade secret. Any such information, data or material claimed to be proprietary or trade secret data which is disclosed orally must be placed in written form with appropriate markings within 30 days of its disclosure and provided to the Government. The Government will respect such proprietary markings on information, data or material not formally delivered or required to be delivered or furnished under this contract and will restrict disclosure of such information, data or material according to the terms of the prop markings or, if the information data or material is marked only as prop data will restrict disclosure to only those employees in the relevant organization within the Government who have a "need to know" the pro data in connection with this contract. The Government will exercise reasonable precautions to ensure that such employees do not make unauthorized disclosure or use not contemplated by this contract. The foregoing shall not apply to any information which is or comes into the public domain, or is obtained or developed independently and without violation of the contract.

(b) Information, data or material claimed to be proprietary and/or trade secret information of the contractor or any subcontractor, and which is information, data or material formally delivered or required to be delivered under this contract, shall be marked in accordance with the provisions of DFARS 252.227-7015. In accordance with DFARS 227.7102, et seq, contractor and subcontractors shall be permitted to mark Proprietary Data in accordance with its commercial practices and appropriate legal requirements. The contractor and subcontractors, as the case may apply, shall retain all right, title and ownership to all intellectual property and related intellectual property rights (existing and/or new), for example, inventions and data, and related patents, trade secrets, and copyrights, resulting from work performed under this contract or any subcontract. The contractor and subcontractor, as the case may apply, shall also retain all right, title, and interest to simulation service hardware.

2. This contract does not grant any license to the Government in any intellectual property or related intellectual property rights now or later owned or controlled by the contractor or subcontractor unless that license is expressly made a part of this contract. Nothing contained in the contract shall prevent or limit the contractor or subcontractor from manufacturing, using, selling or licensing products, associated items, or data anywhere in the world. No data, information or material other than specifically identified in the contract as a deliverable item will be formally delivered or considered furnished under this contract.
