4. Prime Contract Special Provisions The following prime contract special provisions apply to this purchase order

A. Inter Party Waiver

This clause applies in the event Seller is involved in launch activities in the performance of this contract.

In the event Buyer's customer has agreed to the terms of a no-fault, no subrogation inter-party waiver of liability pursuant to the terms of Buyer's Customer's launch services agreement with respect to the NEXT Space Segment, whereby the parties to the launch services agreement agree not to make claims against each other for loss of, or damage to, property it sustains and for bodily injury or death of its own employees and to flow down the benefits of such agreement to their respective contractors and subcontractors at any tier (including suppliers of any kind) that are involved in the performance of the launch services agreement and, as a result, Buyer is required to extend such waiver of liability to Seller because Seller is considered to be involved in launch activities, Seller agrees to be bound by such waiver of liability and related indemnity provisions that may be contained in the launch services agreement and to cause its contractors and subcontractors at any tier (including suppliers of any kind) that are considered to be involved in launch activities in the performance of this Contract, to the extent required by the launch services agreement, to accede to such waiver. Seller shall execute and deliver any instrument that may be reasonably required by the launch services provider to evidence its agreement to be bound by such waiver and shall indemnify, defend and hold harmless Buyer and Buyer's customer, their divisions, subsidiaries, Affiliates, subcontractors, assignees of each, and their respective directors, officers, employees and agents from and against all claims and liabilities that result from Seller's failure to comply with such waiver requirement. In no event shall such no-fault, no-subrogation inter-party waiver and related indemnity provisions have any effect on the rights, obligations and liabilities of and between Seller and Buyer under this Contract. This provision shall be subject to modification, on mutually acceptable terms, to take into consideration any specific requirements of such interparty waiver of liability that may be in addition to or at variance with this paragraph as may be required by the launch services agreement once executed and delivered by the parties to the launch services agreement. In the event the launch services provider under the launch services agreement provides third party liability insurance for the benefit of Buyer's customer and its contractors and subcontractors at any tier (including suppliers of any kind) that are involved in the performance of the launch services agreement, Buyer's customer and Buyer shall cause the launch services provider to name Seller and its contractors and subcontractors, and the respective employees of each, in each case that are considered to be involved in launch activities in the performance of this Contract, as additional insureds under such liability insurance and to request the launch services provider to cause the insurers under such third party liability insurance to waive all rights of subrogation against Seller, its contractors and subcontractors, and the respective employees of each, in each case that are considered to be involved in launch activities in the performance of this Agreement to the maximum extent such waiver is available, if at all, in the commercial insurance market for the class of insurance.

B. Compliance with Applicable Laws

- i. Federal, State and Local. Seller agrees to comply with all applicable laws, orders, rules, and ordinances. Seller shall procure all licenses/permits, pay all fees, and other required charges and shall comply with all applicable guidelines and directives of any local, state, and/or federal governmental authority
- ii. National Security Laws. Seller understands that Buyer's Customer is a defense contractor providing work for the United States Government, and as such, is under certain mandatory security obligations with regard to access to its facilities and technology. Due to the fact that disclosure of certain information to any individual may be deemed an export. Seller agrees

that it will not assign any worker to perform services under this Task Order (including but not limited to accessing Seller's web based portal for the applicable program) unless that person either receives a license for the export at issue or qualifies as a "U.S. person," defined as:

1. U.S citizen;
2. U.S. nationals, including an alien lawfully admitted for permanent resident (those possessing a valid Form I-550 or "green card");
3. Alien admitted following a 1986 amnesty statute;
4. Asylee or refugee as defined in 8 U.S.C. 1324(b)(a)(3); or
5. Alien lawfully admitted for temporary agricultural employment.

Seller further agrees that, should Buyer's Customer determine that the work performed under this Contract will enable persons working for Seller (including Seller) to have access to unclassified information that relates to a U.S. Government classified program, or other information regulated by the National Industrial Security Program Operating Manual ("NISPOM"), Seller will not assign any worker to perform services under this Contract (including Seller) unless such persons are citizens or nationals of the United States.
