H-09 Organizational Conflict of Interest (APR 2020).

a. Purpose: The purpose of this clause is to ensure that:

- (1) the Seller is rendering impartial assistance and advice to the Government at all times under this contract and related Government contracts;
- (2) the Seller's objectivity in performing work under this contract or related Government contracts is not impaired; and
- (3) the Seller does not obtain an unfair competitive advantage by virtue of its access to

non-public Government information, or by virtue of its access to proprietary information belonging to others.

- b. Scope: The Organizational Conflict of Interest (OCI) rules, procedures and responsibilities described in FAR 9.5 "Organizational and Consultant Conflicts of Interest", FAR 3.101-1 "Standards of Conduct – General, DFARS 209.5 "Organizational and Consultant Conflicts of Interest," and in this clause are applicable to the prime Seller (including any affiliates and successors-in-interest), as well as any co-sponsor, joint-venture partner, consultant, subcontractor or other entity participating in the performance of this contract. The Seller shall flow this clause down to all subcontracts, consulting agreements, teaming agreements, or other such arrangements which have OCI concerns, while modifying the terms "contract", "Seller", and "Contracting Officer" as appropriate to preserve the Government's rights.
- c. Access to and Use of Nonpublic Information: If in performance of this contract the Seller obtains access to nonpublic information such as plans, policies, reports, studies, financial plans, or data which has not been released or otherwise made available to the public, the Seller agrees it shall not use such information for any private purpose or release such information without prior written approval from the Contracting Officer via the buyer.
- d. Access to and Protection of Proprietary Information: The Seller agrees to exercise due diligence to protect proprietary information from misuse or unauthorized disclosure in accordance with FAR 9.505-4. The Seller may be requested to enter into a written non-disclosure agreement with a third party asserting proprietary restrictions, if required in the performance of the contract.
- e. In accordance with FAR 3.101-1, the Seller shall also take all appropriate measures to prevent the existence of conflicting roles that might bias the Seller's judgment, give the Seller an unfair competitive advantage, and deprive MDA of objective advice or assistance that can result from hiring former Government employees. (See Health Net Fed. Svcs, B-401652.3).
- f. Restrictions on Participating in Other Government Contract Efforts. Restrictions are as follows:
 - Current or prospective TEAMS and TEAMS-Next Sellers and Subcontractors must adhere to the GUIDING PRINCIPLES FOR TEAMS-NEXT ORGANIZATIONAL CONFLICTS OF INTEREST (September 15, 2020).
 - All Task Orders are subject to Contract Clause 252.209-2009 Organizational Conflict of Interest-Major Defense Acquisition Program unless specifically stated in the Task Order.
 - See any additional restrictions on Task Orders
- g. OCI Disclosures: The Seller shall disclose to the Contracting Officer via the buyer all facts relevant to the existence of an actual or potential OCI, using an OCI Analysis/Disclosure Form which the Contracting Officer via the buyer will provide upon request. This disclosure shall include a description of the action the Seller has taken or plans to take to avoid, neutralize or mitigate the OCI.
- h. Remedies and Waiver:
 - (1) If the Seller fails to comply with any requirements of FAR 9.5, FAR 3.101-1, DFARS 209.5, or this clause, the Government may terminate this contract for default, disqualify the Seller from subsequent related contractual efforts if necessary to neutralize a resulting organizational conflict of interest, and/or pursue other remedies permitted by law or this contract. If the Seller discovers and promptly reports an actual or potential OCI subsequent to contract award, the Contracting Officer via the buyer may terminate this contract for convenience if such termination is deemed to be in the best interest of the Government, or take other appropriate actions.
 - (2) The parties recognize that the requirements of this clause may continue to impact the Seller after contract performance is completed, and that it is impossible to foresee all future impacts. Accordingly, the Seller may at any time seek an OCI waiver from the Director, MDA by submitting a written waiver request to the Contracting Officer via the buyer. Any such request shall include a full description of the OCI and detailed rationale for the OCI waiver.

- a. It is anticipated that, during the performance of this contract, Seller will be required to support Technical Interface/Integration Meetings (TIMS) with other Ballistic Missile Defense (BMD) Contractors and other Government agencies. Appropriate organizational conflicts of interest clauses and additional costs, if any, will be negotiated as needed to protect the rights of Buyer, Seller, and the Government.
- b. Interface support deals with activities associated with the integration of the requirements of this contract into BMD system plans and the support of key Missile Defense Agency (MDA) program reviews.
- c. Seller agrees to cooperate with BMD Contractors by providing access to technical matters, provided, however, Seller will not be required to provide proprietary information to non-Government entities or personnel in the absence of a non-disclosure agreement between Seller and such entities.
- d. Seller further agrees to include a clause in each subcontract requiring compliance with paragraph c. above, subject to coordination with Seller. This agreement does not relieve Seller of its responsibility to manage its subcontracts effectively, nor is it intended to establish privity of contract between the Government and such subcontractors.
- e. Personnel from BMD Contractors or other Government agencies or Contractors are not authorized to direct Seller in any manner.
- f. This clause shall not prejudice Seller or its subcontractors from negotiating separate organizational conflict of interest agreements with BMD Contractors; however, these agreements shall not restrict any of the Government's rights established pursuant to this clause or any other contract.

H-12 CONTROL OF ACCESS TO MDA SPACES AND INFORMATION SYSTEMS (SEP 2013). For Sellers or Seller employees currently included on the prime contract's Visit Authorization Request:

- b. Seller will cooperate with the COR, through Buyer, in facilitating the employee's return of all government issued credentials, e.g., badges, common access cards (CACs), SIPRNet tokens. Specifically, upon notification, the COR will work with Buyer, and the organization's Security Operations Center and the MDA Service Desk to ensure timely action to:
 - (1) remove the employee from the current visit authorization request/letter;
 - (2) cancel Government issued credentials pursuant to the visit authorization request/letter; and,
 - (3) terminate the MDA LAN account/access privileges.

Seller shall coordinate with the Buyer/COR, through Buyer, to ensure government issued credentials are retrieved in accordance with local command or installation procedures. Unauthorized possession of an official credential, like a CAC, can be prosecuted criminally under section 701, title 18, United States Code.
- d. Seller shall identify the reason for and date of termination or expected period of suspension and submit the notification to Buyer within ten (10) working days prior to service discontinuation. For unplanned termination or suspension of services, notification shall be made on the same working day as the termination/suspension action.

A copy of the negotiated license shall be furnished to the PCO, through Buyer. The terms of the licenses cannot be inconsistent with Federal procurement law and must satisfy user needs. This includes the Buyer's/Seller's/subcontractor's needs for the software to perform this contract and the Government's needs for the software to accomplish the Government's ultimate objectives. At a minimum, this shall include the rights to make an archive copy of the software, to relocate the computer on which the software resides, to re-host the software on a different computer, to permit access by support contractors, and to permit the Government to transfer the license to another contractor.

b. Using Government assets in an Independent Research and Development (IRAD) project may be authorized on a case by case basis, through coordination with Buyer and Buyer's customer. Seller's request shall include an offer of consideration for use of such Government assets. H-43 IMPACT OF GOVERNMENT TEAM PARTICIPATION/ACCESS (JUN 2012).

The Government/Buyer organizational/interface approach (e.g., Integrated Product Teams, Team Execution Reviews, Technical Interchange Meetings, and/or Working Groups), will require frequent, close interaction and/or surveillance between the Government and Buyer/Seller/Seller's subcontractors' team members during contract performance. For this purpose Buyer, recognizing its privity of contract with the Government, authorizes the Government to communicate directly with, and where appropriate visit as well as monitor, Seller or Seller's subcontractors. This access/interface is necessary to support the Government's quality and program management approach which emphasizes systematic surveillance and evaluation techniques used to assess Buyer/Seller performance. Government team members may offer advice, information, support, and facilitate rapid Government feedback on team-related products, provide clarification, and review Buyer/Seller progress; however, the responsibility and accountability for successfully accomplishing the requirements of this contract remain solely with Buyer. Neither Buyer nor Seller (or Seller's subcontractors) shall construe such advice, surveillance, reviews and clarifications by Government team members as Government-directed changes to the terms of this contract. Buyer is the only individual authorized to direct or approve any change to the terms of this contract with Seller.
