4. Prime Contract Special Provisions The following prime contract special provisions apply to this purchase order

52.204-4706 Protection and Handling of FOR OFFICIAL USE ONLY Information (JUN 1997).

(This clause applies only if this contract requires Seller to handle FOUO information.)

Information and/or material identified 'For Official Use Only' (FOUO) shall be protected and handled in accordance with the following:

a . DEFINITION. Information that has not been given a security classification pursuant to the criteria of an Executive Order, but which may be withheld from the public for one or more reasons cited in Freedom of Information Act (FOIA) Exemptions 2 through 9 shall be considered as being For Official Use Only. No other material shall be considered or marked 'For Official Use Only' (FOUO). FOUO is not authorized as a form of classification to protect national security interests.

b . SAFEGUARDING FOUO INFORMATION.

(1) During Duty Hours: During normal working hours information determined to be FOUO shall be placed in an out-of-sight location if visitors, casual traffic and other nongovernment/noncontractor personnel have access to the work area.

(2) During Nonduty Hours: At the close of business, FOUO records shall be stored so as to preclude unauthorized access. Filing such material with other unclassified records in unlocked files or desks, etc., is adequate when normal U.S. Government or government/contractor internal building security is provided during nonduty hours. When such internal security control is not exercised, locked buildings or rooms normally provide adequate after-hours protection. If such protection is not considered adequate, FOUO material shall be stored in locked receptacles such as file cabinets, desks or bookcases.

c . TRANSMISSION OF FOUO INFORMATION. FOUO information will be transported in a manner that precludes disclosure of its contents. When not commingled with classified information, FOUO information may be sent via first-class mail or parcel post. Bulky shipments that otherwise qualify under postal regulations may be sent fourth-class mail. Transmittal documents will call attention to the presence of FOUO attachments.

d . TERMINATION, DISPOSAL AND UNAUTHORIZED DISCLOSURES.

(1) Termination: The originator or other competent authority, e.g., initial denial and appellate authorities, shall terminate 'For Official Use Only' markings or status when circumstances indicate that the information no longer requires protection from public disclosure. When FOUO status is terminated, all known holders shall be notified, to the extent practical. Upon notification, holders shall efface or remove the 'For Official Use Only' markings, but records in file or storage need not be retrieved solely for that purpose.

(2) Disposal: FOUO materials may be destroyed by tearing each copy into pieces to preclude reconstruction, and placing them in regular trash containers. When local circumstances or experience indicates that this destruction method is not sufficiently protective of FOUO information, local authorities may direct other methods but must give due consideration to the additional expense balanced against the degree of sensitivity of the type of FOUO information contained in the records.

(3) Unauthorized Disclosure: The unauthorized disclosure of FOUO information does not constitute an unauthorized disclosure of DOD information classified for security purposes. Appropriate administrative action should be taken, however, to fix responsibility for unauthorized disclosure whenever feasible, and appropriate disciplinary action should be taken against those responsible. The DOD component that originated the FOUO information shall be informed of its unauthorized disclosure.

52.204-4708 Non-U.S. Citizens (SEP 2007).

(In this clause, "contractor" means Seller, and "Prime Contractor" means Buyer. Seller shall send requests for Contracting Officer approval or, if Seller is a university, prior notice to Buyer. If Seller is a university, its requirements under this clause follow paragraph (g)).

Prior approval to use Non-U.S. Citizens to perform on this contract, at either the prime or subcontract level, must be obtained from the Contracting Officer. If approval is granted, such approval does not grant an exception to U.S. export law(s) and the contractor is responsible for obtaining necessary export licenses.

To request approval for use of Non-U.S. Citizens in performance of this contract, the contractor must provide by letter addressed to the Contracting Officer the following:

(a) Method Non-U.S. Citizen will be utilized, i.e., as a subcontractor or as an employee of the contractor.

- (b) If a subcontractor, identify company, country of origin, and tasks to be performed, and provide employer's verification of work authorization (visa, green card).
- (c) If a company employee, identify country of origin and tasks to be performed, and provide employer's verification of work authorization (visa, green card).
- (d) In either case (items b and c above) identify the technology involved and what type information, Classified, Controlled Unclassified Information (CUI), or Unclassified, will be released to the Non-U.S. Citizen to enable satisfactory performance on the contract.
- (e) If the contractor currently possesses a munitions export license to export the data to Non-U.S. Citizens (whether the Non-U.S. Citizen is an employee of the company or a subcontractor) provide the license number.
- (f) Provide justification as to why the Non-U.S. Citizen is needed to perform the contract.
- (g) Company point of contact name and phone number.

The above clause shall not flow down to subcontracts with Universities. The following replacement text shall be inserted into subcontracts with Universities:

Prior notice of the use of Non-U.S. Citizens to perform on this prime contract at the University subcontract level must be provided through the Prime Contractor to the Contracting Officer. This notice does not grant an exception to U.S. Export Law(s) and the Contractor and/or Subcontractor are responsible for obtaining necessary Export Licenses.

Prior notice shall be provided by the Subcontractor, through the Prime Contractor, to the Contracting Officer, by letter addressed to the Contracting Officer, containing the following:

- (a) Individual's Name;
- (b) Country of Origin;
- (c) Tasks to be performed; and,

(d) Employer's verification of work authorization (visa, green card).
