5. The following prime contract special provisions apply to this purchase order:

Prime Contract Clause D-1 52.208-4700 REPLACEMENT PRESERVATIVE FOR PENTACHLOROPHENOL (USAAMCOM) (JUN 1997).

If packaging requirements of this contract specify the use of wood products and a preservative is required, Pentachlorophenol, commonly referred to as "Penta" or "PCP" is prohibited. Replacement preservatives are 2 percent copper naphthenate, 3 percent zinc naphthenate or 1.8 percent copper 8 quinolinolate.

Prime Contract Clause H-2 52.204-4706 PROTECTION AND HANDLING OF FOR OFFICIAL USE ONLY INFORMATION (USAAMCOM) (JUN 1997)

Information and/or material identified "For Official Use Only" (FOUO) shall be protected and handled in accordance with the following:

a. **DEFINITION.** Information that has not been given a security classification pursuant to the criteria of an Executive Order, but which may be withheld from the public for one of more reasons cited in Freedom of Information Act (FOIA) Exemptions 2 through 9 shall be considered as being For Official use Only. No other

material shall be considered or marked "For Official Use Only" (FOUO). FOUO is not authorized as a form of classification to protect national security interests.

b. SAFEGUARDING FOUO INFORMATION.

(1) During Duty Hours: During normal working hours information determined to be FOUO shall be placed in an out-of-sight location if visitors, casual traffic and other nongovernment/noncontractor personnel have access to the work area.

(2) During Nonduty Hours: At the close of business, FOUO records shall be stored so as to preclude unauthorized access. Filing such material with other unclassified records in unlocked files or desks, etc., is adequate when normal U.S. Government or government/contractor internal building security is provided during nonduty hours. When such internal security control is not exercised, locked buildings or rooms normally provide adequate after-hours protection. If such protection is not considered adequate, FOUO material shall be stored in locked receptacles such as file cabinets, desks or bookcases.

c. TRANSMISSION OF FOUO INFORMATION. FOUO information will be transported in a manner that precludes disclosure of its contents. When not commingled with classified information, FOUO information may be sent via first-class mail or parcel post. Bulky shipments that otherwise qualify under postal regulations may be sent fourth-class mail. Transmittal documents will call attention to the presence of FOUO attachments.

c. TERMINATION, DISPOSAL AND UNAUTHORIZED DISCLOSURES.

- (1) Termination: The originator or other competent authority, e.g. initial denial and appellate authorities, shall terminate "For Official Use Only" markings or status when circumstances indicate that the information no longer requires protection from public disclosure. When FOUO status is terminated, all known holders shall be notified, to the extent practical. Upon notification, holders shall efface or remove the "For Official Use Only" markings, but records in file or storage need not be retrieved solely for that purpose.
- (2) Disposal: FOUO materials may be destroyed by tearing each copy into pieces to preclude reconstruction, and placing them in regular trash containers. When local circumstances or experience indicates that this destruction method is not sufficiently protective of FOUO information, local authorities may direct other methods but must give due consideration to the additional expense balanced against the degree of sensitivity of the type of FOUO information contained in the records.
- (3) Unauthorized Disclosure: The unauthorized disclosure of FOUO information does not constitute an unauthorized disclosure of DOD information classified for security purposes. Appropriate administrative action should be taken, however, to fix responsibility for unauthorized disclosure whenever feasible, and appropriate disciplinary action should be taken against those responsible. The DOD component that originated the FOUO information shall be informed of its unauthorized disclosure.
