

PURCHASE ORDER ATTACHMENT Q-6

Shelf Life and Storage Control

The Seller shall label the limited shelf-life materials/parts specified in the purchase order. The labels contain the following information:

1. Manufacturer's Name
2. Specification to which the material/part is purchased with type and class if applicable
3. The date of the manufacture or cure date
4. Batch number
5. Storage temperature
6. Buyer's part number as applicable
7. Useful storage life

The materials/parts shipped under this attachment will arrive at the Buyer's facility with less than 25% of the specified shelf-life expended.

END OF DOCUMENT

THE TEXT OF THIS DOCUMENT SHALL NOT BE CHANGED EXCEPT BY WRITTEN AGREEMENT BETWEEN BUYER AND SELLER
