

INVOICE PAYMENT REQUIREMENTS

Invoicing Address – Huntsville, Albuquerque, and Maui

Payments - Payments are made from "Original" invoices only. Faxed invoices, copies of invoices and manually altered invoices or statements are not acceptable. Submission of "Duplicate Original" invoices are not permitted without prior approval from either Buyer's Authorized Procurement Representative or Accounts Payable. Duplicate original invoices, altered invoices or computer prints of invoices not on your company letterhead must be signed and dated with full signature of the appropriate manager from your company. Initials will not be accepted. Third party billing is not allowed.

Payment Terms - Determination of payment due date, whether under net or discount terms, will be based on the latest of (i) the date goods are received or services performed; (ii) the date provided in this contract for receipt of goods or completion of services; or (iii) the date an accurate invoice is received in accounts payable. Payments are not scheduled based upon the date of your invoice. Payment will be deemed to have been made when deposited in the mail.

Invoice Submittals.

A). Electronic PDF Invoice Submittal (Preferred Method)

In an effort to support the eCommerce initiative, SSG Accounts Payable (AP) would like to offer our Huntsville, Albuquerque and Maui suppliers an electronic option of submitting invoices in lieu of US mail. The following guidelines apply to this alternative invoicing process:

The supplier MUST:

- 1) Submit the invoice in Adobe *.PDF format, **ONLY**.
- 2) Invoice must be addressed to the appropriate address depending on their site:
 - Huntsville invoices must be addressed to: APHSVApprovals@Boeing.com.
 - Albuquerque invoices must be addressed to: AlbuquerqueApprovals@Boeing.com
 - Maui invoices must be addressed to: MauiApprovals@Boeing.com
- 3) Invoice must be clearly marked with the statement "Original" or "Certified Original".
- 4) ONE invoice per electronic submittal - (e.g. three invoices require three separate email submittals).
- 5) Submit invoice one time, as multiple submissions may delay payment due to additional administrative effort.

Note: It is recommended, supplier name and applicable purchase contract number be included in the subject line of each electronic invoice submittal.

The supplier shall NOT:

- 1) Send invoices directly to the AP processor, as electronic submittals will only be recognized if sent to the group mailbox.
- 2) Submit invoices for Autopay line items.

- 3) Submit *multiple* invoices per electronic invoice submittal, due to system capacity issues.
- 4) Submit detailed supporting documentation to AP via the electronic invoice submittal process. AP recommends supporting documentation be submitted directly to the Procurement Agent.
- 5) Submit a paper invoice to AP in addition to .PDF invoice.
- 6) Submit an invoice unless a contract exists that covers the specific scope of work invoiced.
- 7) Submit payment/invoicing inquires to either of the above 3 mailboxes, depending on your appropriate site, as these mailboxes are for invoices only.

General Information

This group mailbox is applicable to invoices paid out of the St. Louis Accounts Payable Group, only. The applicable invoices should be limited to those currently addressed as identified in Section B below.

If the buyer requests a courtesy copy of the invoice from the supplier, the buyer must maintain their copy or discard it. Do not forward the copy to Accounts Payable.

Disclaimer

Invoices received via group mailbox during Boeing business hours (7:00 a.m. - 4:00 p.m. CST) will be date stamped the day received. Exception - mail received after 11:00 a.m. CST on the last day of the calendar month will be date stamped with the following business date.

The Boeing Company reserves the right to discontinue the acceptance of electronic invoices if the above guidelines are not followed. Additionally due to the volume of electronic correspondence, it is not our practice to provide receipt confirmation. If you receive an error message or non-deliverable message, it is recommended you resubmit the invoice.
