

TECHNICAL DATA/TECHNOLOGY LEGEND

Seller shall include one of the following two (2) legends in solicitations and purchase orders/contracts, as applicable, that contain export-controlled unclassified technical data or technology (as defined by the International Traffic in Arms Regulations [ITAR] and Export Administration Regulations [EAR], respectively) that has been provided to Seller by Buyer:

“EXPORT CONTROLLED – The technical data or software is subject to the International Traffic in Arms Regulations (22 C.F.R. Parts 120-130). Export, re-export or retransfer contrary to U.S. law is prohibited.”

Or

“EXPORT CONTROLLED – The technology or software is subject to the Export Administration Regulations (15 C.F.R. Parts 730-774). Export, re-export or retransfer contrary to U.S. law is prohibited.”

Prior to Seller retransfer of Buyer provided export-controlled unclassified technical data or technology containing an export jurisdiction neutral marking, Seller shall request Buyer to provide Seller the export jurisdiction specific marking.
