SUBCONTRACTOR PROCUREMENT AUTHORIZED

Any subcontractor or supplier performing work for BUYER ("BUYER Subcontractor") may issue an order to or contract with SELLER referencing this contract, and SELLER agrees to sell goods to such BUYER Subcontractor, for use in its contracts with BUYER, at the prices set forth or referenced herein. Such contract shall be considered independent of this contract, and BUYER shall not assume or otherwise accept or be held responsible by SELLER for any liability or debt that a BUYER Subcontractor might incur with respect to or under any such contract. SELLER may request written verification from the BUYER Subcontractor that the goods and/or services so ordered support BUYER requirements. SELLER shall promptly inform BUYER's Authorized Procurement Agent of any such order invoking this participation clause.
