SAFETY AND ACCIDENT PREVENTION

In performing work under this contract on a Government installation, Seller will (i) conform to the specific safety requirements contained in this contract, (ii) for those related activities not directly addressed by this contract, conform to the applicable safety rules prescribed by the Government installation, and (iii) take such additional precautions as Buyer or the Contracting Officer under Buyer's Government contract may reasonably require for safety and accident prevention purposes. Any violation of such rules and requirements, unless promptly corrected as directed by Buyer or the Contracting Officer, will be grounds for termination of this contract in accordance with the default provisions hereof. Buyer may, by written order, direct additional safety and accident standards as may be required under Buyer's Government contract, and any adjustments resulting from such direction will be in accordance with the Changes clause of this contract.
