

IDS Terms and Conditions Guide
Section H

Clause Number: H2090
Effective: 4/6/2006
Page: 1 of 1

ATTACHMENT INCORPORATION (Variable)

This clause supersedes the language in the box under “PC Attachment(s)” list in the body of this purchase contract (PC). The “Common IDS Clauses (03/01/2004)” and “Quality Clauses” from the Integrated Defense Systems Common Terms and Conditions web site are incorporated herein by reference to specific clause or document numbers listed as “PC Attachment(s)” or “Item Attachment(s)” in this PC. The listed clauses or documents have the same force and effect as if given in full text. The “Common IDS Clauses (03/01/2004)” are grouped into general topics by the first alphabetic character contained in the Attachment number or as IDS common General Provisions (“GPX”) and Special Provisions (“SPX”) documents. This PC will include the variable text portion of any referenced, variable-text-type clause. Unless indicated elsewhere in this PC, the version of each referenced clause or document number will be the latest dated version as of the effective date specified below. The Integrated Defense Systems Common Terms and Conditions may be accessed at:

<http://www.boeing.com/companyoffices/doingbiz/idscommon/index.html>.

For site unique clauses or provisions incorporated by reference click on "Sites and Programs in Integrated Defense Systems" button or go to the following URL and select the appropriate site:

http://www.boeing.com/companyoffices/doingbiz/terms_conditions/ids_sites.html. Site unique quality clauses can also be accessed by selecting the appropriate site at the “Quality Clauses” link identified above.

Effective Date:
