DESIGNATION OF NEW TECHNOLOGY AND PATENT REPRESENTATIVES
(VARIABLE)

(A) For purposes of facilitating administration of the clause of this contract entitled "new technology", NASA FAR SUPP. 18-52.227-70, the new technology representative and patents representative designated by the contracting officer are identified in paragraph C. hereof.

(B) Reports of reportable items and disclosure of subject inventions, interim reports, final reports, utilization reports, and other reports required by the clause, should be directed to the new technology representative unless transmitted in response to correspondence or request from the patents representative. This provision shall be included in any subcontract hereunder requiring the "new technology" clause or other patents rights clause unless otherwise authorized or directed by the contracting officer.

(c) The new technology representative and patents representative are:
