**LISTING OF TECHNICAL DATA OR COMPUTER SOFTWARE (AFSC FAR SUPP.
52.227-9001) (VARIABLE)**

- (A) With respect to the clause of this contract entitled 'rights in technical data and computer software, the parties agree that technical data or computer software shall not be tendered for delivery to the buyer with less than unlimited rights unless the technical data or computer software is identified in paragraph (D) below.
- (B) This listing shall be constructed from the listing of technical data or computer software which the seller is required to identify to the buyer, either prior to or after award of this contract, that the seller intends to deliver with less than unlimited rights. The inclusion of technical data or computer software on such a listing in this contract is intended to facilitate acceptance by a government quality assurance representative and does not constitute an 'agreement' under either paragraph (B)(2)(I) or paragraph (B)(3)(I) of the 'rights in technical data and computer software' clause of this contract.
- (C) This requirement does not change, waive, or otherwise modify, the rights or obligations of either the buyer, the government or the seller as stated elsewhere in this contract.
- (D) Technical data and/or computer software to be delivered with less than unlimited rights are set forth below:
