

CONFLICT OF INTEREST CLAUSE: PURCHASED SERVICES (Contingent Labor)

Post-Government Employment Conflict of Interest Avoidance.

- a) Supplier acknowledges that it has reviewed the Statement of Work and that no person that it provides to perform these tasks has any legal restrictions as a result of government service that would be pertinent to the SOW that would prevent such person from reasonably performing the work contemplated. This includes, without limitation, post employment restrictions related to representing a company to the government on this program, accepting compensation for these services or improperly using or disclosing non-public information in these duties. Supplier warrants that it has taken reasonable steps to identify and prevent any such conflicts related to the personnel it provides for these efforts.
- b) If this effort includes support for a competitive proposal, Supplier agrees that no person it provides will have worked on the same or a directly related effort for any company in competition with Boeing for this work.
- c) Supplier warrants that it has taken reasonable steps to identify and prevent any such conflicts related to the personnel it provides for these efforts.
