**BUYER/REGULATORY AGENCY APPROVED REPAIR STATION –
FAR 14CFR145.217 REQUIREMENTS**

This contract is subject to Seller having and maintaining a current status as a Buyer or Federal Aviation Administration (FAA) approved repair station. Buyer's representative and/or the Federal Aviation Administration, or if Seller is located in a country other than the United States of America, Seller's equivalent regulatory agency, may inspect and evaluate Seller's facilities, systems, data equipment, personnel and all completed articles processed under this contract. Seller shall include with shipment a signed and completed copy of FAA Form 8130-3 "Airworthiness Approval" tag or equivalent regulatory agency tag for each article.

As required by Federal Aviation Administration Regulation 14CFR145.217, the Senior Quality Manager of Buyer's repair station or designee remains directly in charge of the work performed by Seller under this contract. Matters requiring instructions or direction outside of Seller's Buyer approved processes must be directed to Buyer's authorized Procurement Representative for coordination.
