Q049 Government Source Inspection - rev 10/1/01

Government inspection is required prior to shipment from Seller's plant. Upon receipt of this purchase order/contract, Seller shall promptly notify the Government representative who normally services its plant so that appropriate planning for Government inspection can be accomplished. In the event the Government representative can not be located, notify the Boeing's purchasing representative immediately. Seller shall provide evidence of Government inspection on the shipping report accompanying each shipment.
