Q051 [Boeing Inprocess & Final Source Inspection - rev 10/1/01](#)

Boeing inspection is required at Seller's facility. Evidence of such inspection shall be indicated on the shipping report accompanying each shipment or an attached Source Surveillance report. Articles and Services ordered on this purchase order/contract are subject to Boeing inspection prior to assembly and throughout all assembly, processing, and testing operations. Boeing Quality Assurance will establish and coordinate the mandatory Boeing inspection points. Seller shall notify the procuring Boeing Site and/or Boeing's Source Representative at least five days prior to the start of any processing or manufacturing in conjunction with this purchase order/contract and 48 hours in advance of the time that the goods are available for review.
