Q053 [Boeing Source Inspection - rev 10/1/01](#)

Boeing inspection is required at Seller's facility. Evidence of such inspection shall be indicated on the shipping report accompanying each shipment. Goods ordered by this purchase order/contract are subject to Boeing inspection prior to assembly and throughout all assembly, processing, and testing operations. Boeing Quality Assurance will establish and coordinate the mandatory Boeing inspection points. Seller shall notify Boeing Quality Assurance at least five days prior to processing or manufacturing in conjunction with this purchase order/contract.
