CERTIFICATE OF CONFORMANCE - DELIVERABLE

Seller shall create a Certificate of Conformance for each shipment. Seller's original Certificate of Conformance that is representative for each item shall be maintained by Seller and copy is to be included with each shipment.

Seller's Certificate of Conformance shall include the following;

- Seller's name
- Statement attesting that goods and services conform to the contract requirements and applicable Government and Buyer specifications. If material is Buyer furnished, so indicate.
- Signature or stamp with title of Seller's authorized personnel signing the certificate.
- Buyer's contract number

Note:

- If the Certificate of Conformance is for Critical Safety Item, then the certificate must include a statement that the item is either, New, Overhauled or Repaired.
- Distributors shall, in addition to the above, include a copy of the manufacturer's Certificate of Conformance that is representative for each item shipped.

Additionally Seller's Certificate of Conformance shall include or be traceable to the following;

- Part number and dash number (when applicable)
- Drawing revision level to which the goods were manufactured (when applicable)
