

Q206 Government Source Inspection - rev 9/19/01

Upon receipt of this Purchase Contract promptly notify the Government representative who normally services your plant for Government contracts so that appropriate inspection planning by the Government representative can be accomplished. In the event that your facility is not serviced by Government inspection, and the area Government inspection representative or agency cannot be located, notify Buyer's Materiel Department immediately.

The Government shall determine the level of inspection. Seller shall provide the same notice as above in advance of when articles, processes, or services will be ready for required inspection and/or test.

Seller shall make available to the Government representative all applicable drawings, specifications, and changes thereto, related inspection and/or test equipment, and such other information as may be required to satisfactorily perform the inspections and tests required under this Purchase Contract.
