### PREPOSITION ARTICLE REQUIREMENTS – DIRECT SHIPMENT

Articles shall ship from the supplier/manufacturing location to the airline customer's, bonded, controlled, preposition warehouse.

Seller is granted Direct Ship Authorization by Buyer for parts shipped on this order only.

Seller must provide evidence of acceptance by its Quality Assurance Department on all shipments. A signed, dated statement on the packing sheet certifying its Quality Assurance Department has inspected the parts and they adhere to all applicable drawings and/or specifications.

Boeing Source Acceptance is required. Notify the Boeing Quality Assurance Representative that services your facility via the Buyer's Supplier Quality supplier data system 10 days in advance of required source activity. Boeing Source Acceptance shall not be delegated on the pre-positioning direct ship orders. In the event you are unable to access the Buyer's Supplier Quality supplier data system, contact the Boeing Field Representative, or Boeing Procurement Agent for assistance.

This article requires an 8130-9 Statement of Conformity executed by a Boeing representative. The 8130-9 shall not be delegated to the supplier even in cases where the supplier has been granted 8130-9 delegation in support of an 8120-10.

This article also requires an FAA 8130-3 Authorized Release Certificate executed by an authorized Boeing ODA unit member.

Seller shall contact the Boeing Procurement Agent ten (10) days prior to ship date to arrange for an authorized Boeing ODA unit member to execute the Authorized Release Certificate before direct shipping article to customer.
