

BUYER'S IN-PROCESS SOURCE INSPECTION REQUIRED - DELIVERABLE

Goods require Buyer's source inspection at in-process (pre-cap / prior to installation of lid(s) or covering of the item).

Seller shall contact Buyer's Supplier Quality Representative at least two working days in advance of the time that Goods will be available for Buyer's source inspection. If Buyer's Supplier Quality Representative does not presently service Seller's facility, promptly notify Buyer's Authorized Procurement Representative so Buyer's Supplier Quality Representative can be assigned.

Seller shall ensure Buyer's Supplier Quality Representative's acceptance stamp impression is included on Seller's shipping document with each shipment.
