

Q970 **Data Review Requirements - rev 10/1/01**

(a) Seller shall submit all acceptance data required by the quality clauses incorporated in this contract to Buyer's Authorized Procurement Representative. This data shall be submitted a minimum of five days prior to shipment of goods for review and acceptance by Buyer's Responsible Engineer.

(b) Seller shall not ship goods until Buyer's Responsible Engineer has reviewed and approved the identified data.

(c) Data approval will be provided to the Seller via a Supplier Information Request (SIR). Buyer's Source Surveillance Representative will not accept goods for shipment unless required data has been approved in accordance with this clause.
