

**CODE 1
GOVERNMENT SOURCE INSPECTION**

Government inspection(s) of the articles or services purchased hereunder will be required prior to shipment from your plant. Immediately upon receipt of this order, provide a copy to the Government inspection representative who normally services your plant or the Government agency delegated to perform inspection under this order. In the event the Government inspection representative or the delegated agency cannot be located, notify Buyer's Purchasing Department immediately. The inspections will be performed as designated by the Buyer's cognizant Government inspection representative and may be conducted during processing, fabrication, or as a final inspection.

When articles or services are ready for inspection, notify the Government representative or delegated agency and make available applicable drawings, specifications, and changes thereto, related inspection and/or test equipment, and such other information as may be required to satisfactorily perform the quality assurance function required under this order.

The following entries shall be made on Seller's commercial shipping document/packing list to show evidence of completion of inspection:

"Required PQA of listed items has been performed.

(Signature of Authorized Govt. Rep. or DoD Stamp)

(Date)

(Typed Name and Office)"
