A. NOTIFICATION OF DEBARMENT/SUSPENSION STATUS

Seller shall provide immediate notice to MDC in the event of being suspended, debarred or declared ineligible by any Department or other Federal Agency, or upon receipt of a notice of proposed debarment from any DoD Agency, during the performance of this Contract.

B. PROGRESS PAYMENTS

If Clause 2404 or 2405 is included in this contract, DFARS 252.232-7004, DoD Progress Payments Rate, November 1993 version, is incorporated herein by this reference. In such Clauses, the term "Contractor" shall mean Seller.

C. OZONE DEPLETING SUBSTANCES

The Seller shall notify the MDC purchasing Representative if Halon is used or anticipated to be used in the design, manufacture, test, operation, or maintenance of any system, subsystem, item, component or process set forth in this Contract.

D. USE OF USED OR RECONDITIONED MATERIAL

The Seller is authorized use of used or reconditioned material, residual inventory or former Government surplus property (pursuant to FAR 52.210-5 and 52.210-7) on a class basis for part numbers and conditions set forth in this Contract.

E. STOCK LEVELS

The Seller will ensure that replacement items are ordered in sufficient time to maintain the stock levels specified for the rotatable pool.

F. TRAINING SYSTEMS COOPERATIVE ENABLING AGREEMENT

(a) The Seller agrees to provide, at a minimum, the Government designated Training contractor(s) with:

(i) All necessary design , performance, operational and characteristic (including flight test data) technical data of the C-17 system. If the Training Systems contractor(s), with Government concurrence, determines that the data provided is not adequate for Training Systems design, the Seller agrees to create and provide said data to the Training Systems contractor(s), within the scope of this contract. Differences between the contractors on the need for additional data will be resolved by the Government.

(ii) All technical data relating to the Producibility Enhancement/Performance Improvement (PE/PI) contract proposals, C-17 Engineering Change Proposals (ECP's), deviations, waivers or any other comparable documents that may change the Training Systems design. The Seller will release the technical data to the Training Systems contractor(s) as it is developed. The technical content of the proposals will be forwarded to the Training Systems contractor(s) as soon as practical, to enable Training System change proposals to be released concurrently with the aircraft proposals. Additionally, a copy of the final C-17 change proposal will be forwarded to the Training Systems contractor(s) concurrent with release to the Procuring Contracting Officer (PCO).

(iii) All technical data, and computer software, specifically developed in the Seller's internal simulation activities for the C-17 that the Government determines may otherwise be useful to the Training Systems contractor(s).

(b) The Seller agrees to sell to the Training Systems contractor(s) any C-17 aircraft parts required for the development, manufacture, or support of the Training Systems concurrent with the C-17 production and/or retrofit buy and negotiate an agreement with the Training Systems contractor(s) for control and nondisclosure of technical data and computer software data required by the Training Systems contractor(s) which is considered by Seller to be proprietary, provided that such data has not been delivered nor is deliverable under this or any other Government contract with unlimited rights as defined in the clause entitled, "Rights in Technical Data and Computer Software" of this contract.

(c) The cooperative enabling agreement shall also establish the capability for the Training Systems contractor(s) to provide to MDC the training impact data and budgetary cost estimates associated with implementing changes.

(d) Under this contract the Seller shall perform only that effort and charge only those costs associated with the Training Systems Cooperative Enabling Agreement which are applicable to the Field Support effort.

G. SAFETY AND ACCIDENT PREVENTION

In performing work under this Contract on a Government installation, Seller shall (a) conform to the specific safety requirements contained in the Contract, and (b) for those related activities not directly addressed by this Contract, conform to the applicable safety rules prescribed by the Government installation, and (c) take such additional precautions as Buyer or the Contracting Officer under Buyer's Government contract may reasonably require for safety and accident prevention purposes. Any violation of such rules and requirements, unless promptly corrected as directed by Buyer or the Contracting Officer, shall be grounds for termination of this Contract in accordance with the default provisions hereof. Buyer may, by written order, direct additional safety and accident standards as may be required under Buyer's Government contract and any adjustments resulting from such direction will be in accordance with the provisions of this Contract entitled "Changes."

H. FOREIGN OBJECT DAMAGE/CONTROL

Seller shall establish and maintain systems and procedures necessary to provide a program of foreign object damage/control.
