

SP 0190

SUBJECT: Code of Conduct

SPECIAL PROVISION TEXT:

Boeing is committed to conducting its business fairly, impartially, and in an ethical and proper manner. Boeing's expectation is that Seller will also conduct its business fairly, impartially and in an ethical and proper manner, and that Seller will have (or will develop) and adhere to a code of ethical standards. In the event that Seller has cause to believe that Boeing or any Boeing employee or agent has acted improperly or unethically under this contract, Seller shall report such conduct to the Boeing's Ethics hotline. Copies of Boeing's Code of Conduct and contacts for such reports are available on <http://www.boeing.com/> under "Ethics and Business Conduct." Although Boeing will not use the failure to make such a report as a basis for claiming breach of contract by Seller, Seller is encouraged to exert reasonable efforts to make such reports when warranted.
