

Section 6 : QUALITY ASSURANCE CLAUSES / CQAR

603. Source Inspection (11/7/96). Buyer's inspection is required at Seller's facility. Evidence of such inspection will be indicated on the shipping report, process certification, or fabrication order accompanying each shipment. Goods ordered by this contract are subject to Buyer's inspection prior to assembly and throughout all assembly, processing, and testing operations. Buyer's Quality Assurance will establish and coordinate the mandatory Buyer inspection points. Seller will notify Buyer's Quality Assurance at least five days prior to processing or manufacturing in conjunction with this contract.
