

Section 1 : SOLICITATION CLAUSES

134. Representations and Certifications (3/11/99). Bidder is aware that article 34 of clause 858, Fixed Price General Terms and Conditions, article 37 of clause 859, Cost Reimbursement General Terms and Conditions, article 25 of clause 861, General Terms and Conditions, Fixed Price Department of Defense Contract, Development or Complex Equipment, and article 10 of clause 862, Additional General Provisions (Fixed Price Contract), as applicable, incorporate required government representations and certifications. Bidder is also aware that by submitting a quotation in response to a solicitation incorporating clause 858, clause 859, clause 861, or clause 862 or by accepting a contract incorporating clause 858, clause 859, clause 861, or clause 862, it will be providing the required representations and certifications. If unable or unwilling to accept a contract that incorporates these representations and certifications exactly as written, Bidder is asked to provide a written statement, ideally as part of its proposal, specifying the representations and certifications that it is unable or unwilling to make.
