

## **Section 1 : SOLICITATION CLAUSES**

---

134. Representations and Certifications (2/9/00). Bidder is aware that article 10 of clause 862, Additional General Provisions (Fixed Price Contract), article 6 of clause 863, Additional General Provisions (Fixed Price Service Contract), article 9 of clause 864, Additional General Provisions (Labor Hour/Time and Material Contract), article 9 of clause 865, Additional General Provisions (Cost Reimbursement Contract Under Government Prime Contract), and article 3 of clause 866, Additional General Provisions (Contract Labor), as applicable, incorporate required government representations and certifications. Bidder is also aware that by submitting a quotation in response to a solicitation incorporating clause 862, clause 863, clause 864, clause 865, or clause 866 or by accepting a contract incorporating clause 862, clause 863, clause 864, clause 865, or clause 866, it will be providing the required representations and certifications. If unable or unwilling to accept a contract that incorporates these representations and certifications exactly as written, Bidder is asked to provide a written statement, ideally as part of its proposal, specifying the representations and certifications that it is unable or unwilling to make.
