(b) No diversion will be made by Seller of the identified personnel, while assigned to the support of Buyer hereunder, without the prior consent of Buyer's authorized purchasing representative, provided that said authorized representative may ratify in writing such diversion and such ratification will constitute the consent of said authorized representative as required by this clause. The personnel identified pursuant to this clause may, with the consent of the contracting parties, be amended from time to time during the course of this contract to either add or delete personnel, as appropriate.
