

Section 5 : SERVICE AND SUPPLY CONTRACT CLAUSES

537. Inside Information or Source Selection Information (Professional Services) (3/25/98). Seller agrees that it shall not use or disclose to Buyer any inside information or source selection information it may have obtained from the U.S. Government or any proprietary information it may have obtained from Buyer's competitors. Such information does not include general or unrestricted technical, scientific, management, and industrial knowledge or basic background knowledge about U.S. Government organization and decision-making processes whose disclosure could not reasonably be construed to give Buyer an improper advantage. Refer to the Buyer User Manual on "Receipt and Use of U.S. Government Procurement Related Information."
