

Section 6 : QUALITY ASSURANCE CLAUSES / CQAR

617. As-Built Configuration Data List (10/11/99).

(a) An ABCL shall be created and submitted with each shipment of serialized assemblies. The ABCL shall be verified by Buyer's Source Inspector prior to shipment. Where Source Inspection is waived or delegated to the Seller, the ABCL shall be forwarded to the "Ship To" address on the purchase order, ATTN: PROCUREMENT QUALITY ASSURANCE DEPT, prior to shipment of the associated assemblies.

(b) The ABCL shall be in electronic media format and contain the following information:

(1) Indenture level

(2) Part Number

(3) Part Name

(4) Serial/Lot number

(5) Quantity

(6) As-Built drawing revision letter

(7) Related EO number

(8) Authorized MRBs (record these and other pertinent data in the remarks column)

(c) [Click here](#) for a download of an approved format. Call Boeing Decatur Configuration Management (256) 432-1384 relative to this form and for e-mail address if not provided on purchase contract. Supplier need only to provide as-built information. As-designed data will be added by Boeing Decatur. Reconciliation will be performed by Boeing Decatur.
