

Section 6 : QUALITY ASSURANCE CLAUSES / CQAR

687. Seller's Acknowledgement and Warranty (10/1/96). Seller hereby acknowledges that the goods ordered by this contract are for incorporation into an aircraft or will be used in the manufacture of, or maintenance of, an aircraft. Seller warrants and represents that all goods delivered under this contract are of new manufacture and meet or exceed all specifications and requirements specified in this contract or documents referenced therein.
